CLASS ACTION

CASE NO. 1:24-CV-00399-JJM-PA

**PLAINTIFFS' UNOPPOSED MOTION FOR FINAL APPROVAL OF
CLASS ACTION SETTLEMENT AND APPLICATION FOR
ATTORNEYS' FEES, COSTS, AND SERVICE AWARDS**

Pursuant to Federal Rule of Civil Procedure 23, Plaintiffs¹ respectfully submit this Motion for Final Approval and Application for Attorneys' Fees, Costs, and Service Awards, supported by a Joint Declaration of Settlement Class Counsel ("Joint Decl."), attached as *Exhibit A*, and the Declaration of the Settlement Administrator ("Admin. Decl."), attached as *Exhibit B*. The Court should enter the Final Approval Order: (1) granting Final Approval of the Settlement; (2) affirming certification of the Settlement Class for settlement purposes, pursuant to Rule 23(a) and (b)(3); (3) confirming Plaintiffs' appointment as Settlement Class Representatives; (4) confirming the appointments of Leigh S. Montgomery of Ellzey Kherkher Sanford Montgomery, LLP, Leanna A. Loginov of Shamis & Gentile P.A., and Grayson Wells of Stranch, Jennings & Garvey, PLLC as

¹ All capitalized terms used herein shall have the same meanings as those defined in the Settlement Agreement, which was attached as Exhibit A to Plaintiffs' Motion for Preliminary Approval. ECF No. 26-1.

Settlement Class Counsel, pursuant to Rule 23(g)(1); (5) confirming the appointment of Epiq Class Action and Claims Solutions, Inc., as Settlement Administrator; (6) awarding Settlement Class Counsel attorneys' fees and costs; (7) awarding each Settlement Class Representative a Service Award; (8) overruling timely objections, if any; and (9) entering final judgment dismissing the Action with prejudice and reserving jurisdiction over Settlement implementation.

I. INTRODUCTION

On January 5, 2026, the Court preliminarily approved the Settlement. ECF No. 27. The Settlement provides Settlement Class Member Benefits for Plaintiffs and Class Members via a non-reversionary, all-cash Settlement Fund of \$454,200.00, from which Settlement Class Members with Valid Claims may elect to receive: (a) up to \$1,000.00 for documented losses; or (b) an alternate cash payment in the amount of \$50.00 (subject to a *pro rata* increase or decrease based on the number of Valid Claims); and (c) up to three years of credit monitoring from CyEx Identity Defense Complete. The Settlement Fund will also be used to pay all Settlement Administration Costs, any Court-awarded attorneys' fees and costs to Settlement Class Counsel, and any Court-awarded Service Awards to the Settlement Class Representatives. Plaintiffs now move the Court for Final Approval and apply for an award of attorneys' fees and costs to Settlement Class Counsel and Service Awards to the Settlement Class Representatives. The Settlement satisfies all Final Approval criteria. Currently, there are no objections to the Settlement and only one opt-out request from the Settlement Class. Admin. Decl. ¶ 32. This response affirms the Court's initial conclusion, outlined in the Preliminary Approval Order, that the Settlement is fair, reasonable, and adequate. Settlement Class Counsel evaluated the strengths, weaknesses, and equities of the Parties' respective positions and believe the Settlement fairly resolves their

differences. Consequently, the Court should grant Final Approval of the Settlement and the Application for Attorneys' Fees, Costs, and Service Awards.

II. BACKGROUND AND PROCEDURAL HISTORY

Defendant is a private, nonprofit university offering undergraduate and graduate degree and non-degree programs. Joint Decl. ¶ 3. On or around September 19, 2024, a third party acting on behalf of Defendant began sending notice letters to individuals advising them that the university “learned of activity in our network that happened without our permission. In response, JWU took immediate steps to secure its systems and promptly launched an investigation. In so doing, JWU engaged digital forensics and incident response specialists to determine the nature and scope of the incident and to identify any information that may have been accessed or acquired without authorization as a result. On August 21, 2024, JWU learned that personal information of yours may have been accessed in connection with the incident. Please note that JWU has no evidence of the misuse or attempted misuse of any potentially accessed information.” *Id.* The information that may have been potentially accessed and exfiltrated includes personally identifiable information (*e.g.*, names and Social Security numbers). *Id.*

As a result of the Security Incident, this Action was initiated. Joint Decl. ¶ 4. On November 15, 2024, Plaintiffs filed their Consolidated Class Action Complaint (“Complaint”) in the United States District Court of the District of Rhode Island, alleging: (1) negligence and negligence *per se*; (2) breach of implied contract; (3) invasion of privacy, intrusion upon seclusion; and (4) unjust enrichment/quasi contract. ECF No. 13. On April 30, 2025, the Court dismissed Plaintiffs’ privacy and unjust enrichment claims. ECF No. 22. Defendant denies all liability and wrongdoing and denies that the case could be certified absent settlement. Joint Decl. ¶ 4; Class Action Settlement Agreement (“Settlement Agreement” or “Agreement”) ¶¶ 9, 130.

The Parties met and conferred on several occasions to discuss the merits of the claims and on August 7, 2025, the Parties reached an agreement in principle on the material terms of a proposed class action settlement. Joint Decl. ¶ 5. The agreement was reached through arms'-length negotiation and advocacy by counsel on behalf of the Parties. *Id.* ¶ 6. The parties did not negotiate attorney's fees or a service award until after they had agreed on benefits for the Settlement Class. *Id.* ¶ 7.

On August 7, 2025, the Parties signed a Confidential Settlement Term Sheet. Over the following weeks, the Parties diligently drafted, negotiated, and finalized the Settlement Agreement, Notices, and Claim Form, and agreed to a settlement administrator. *Id.* ¶ 8. Eventually, on December 11, 2025, the Parties executed the Settlement Agreement. *Id.* ¶ 9; ECF No. 22-2. Thereafter, on December 30, 2025, Plaintiffs filed their unopposed Motion for Preliminary Approval. *Id.* The Court granted Preliminary Approval of the Settlement on January 5, 2026. ECF No. 27.

III. SUMMARY OF THE SETTLEMENT AND BENEFITS

A. Settlement Class

The Settlement Class has approximately 22,710 members and is defined as follows:

All persons on the list of persons to whom Johnson & Wales University arranged to have sent a notice of the 'Security Incident,' [i.e., the security incident identified in the letter dated September 19, 2024, sent to Plaintiffs and the subject of the Amended Complaint], excluding those persons identified as being excluded in the Amended Complaint.

Agreement ¶ 63. The Settlement Class specifically excludes Defendant and Defendant's parents, subsidiaries, affiliates, officers and directors, and any entity in which Defendant has a controlling interest; all individuals who make a timely election to be excluded from this proceeding using the correct protocol for opting out; and all judges assigned to hear any aspect of this litigation, as well as their immediate family members. *Id.*

B. Settlement Consideration

The Settlement Fund shall be a non-reversionary common fund funded by Defendant in the amount of \$454,200.00, which shall be deposited into an escrow account. *Id.* ¶¶ 68; 73. The Settlement Fund will be used to pay for the following: (a) Notice and Administrative Expenses and costs; (b) Fee Award and Expenses, as approved and awarded by the Court; (c) Service Awards, as approved and awarded by the Court; (d) Cash Payments to Settlement Class Members; (e) Credit Monitoring services to Settlement Class Members; and (f) transfer of the Remainder Funds to Cy Pres following the preceding payments. *Id.* ¶ 76. The Settlement Class Members may claim one or more of a variety of awards from the Settlement Fund, which may be prorated based on the number of claims made. *Id.* ¶ 79.

1. **Cash Payments** – Settlement Class Members may elect either Cash Payment A – Documented Losses or Cash Payment B – Alternate Cash:

a. Cash Payment A – Documented Losses. Settlement Class Members may claim compensation for Documented Losses (“Cash Payment A”) of up to \$1,000.00 per Settlement Class Member with third-party documentation and a sworn affidavit attesting to the losses if: (i) the loss is an actual, documented, and unreimbursed monetary loss; (ii) the loss was incurred after the date of the Security Incident; (iii) the loss was more likely than not caused by the Security Incident; and (iv) the loss was incurred after the date of the Security Incident. *Id.* ¶ 79(i). If a Settlement Class Member does not submit reasonable documentation supporting a loss, or if their Claim is rejected by the Settlement Administrator for any reason, and the Settlement Class Member fails to cure his or her Claim, the Claim will be rejected. *Id.*

b. Cash Payment B – Alternate Cash. As a mutually exclusive alternative to Cash Payment A, a Settlement Class Member may make a claim to receive a cash

payment in an amount of \$50.00 (“Cash Payment B”), which is subject to a *pro rata* adjustment (i.e., increase or decrease) based on the number of valid Cash Payment B claims submitted. *Id.* ¶ 79(ii).

2. **Credit Monitoring** – In addition to electing Cash Payment A or Cash Payment B, all Settlement Class Members may claim up to three years of credit monitoring from CyEx Identity Defense Complete. *Id.* ¶ 79(iii). A Settlement Class Member may make this election regardless of whether he or she makes a claim for cash payment. *Id.*

3. **Pro Rata Adjustments on Cash Payments and Funds Remaining After Distribution** - The Settlement Administrator must distribute the funds in the Settlement Fund first for payment of Credit Monitoring, then for Cash Payment A, and then for Cash Payment B. *Id.* ¶ 79. In the event the amount of Approved Claims within a category exceeds the available Settlement Fund, then the amount of the Cash Payment A or Cash Payment B will be reduced *pro rata* for each valid claimant. *Id.* Any Remainder Funds will be thereafter designated for the Cy Pres recipient. *Id.* To receive any relief, Settlement Class Members must submit a valid and timely claim to the Settlement Administrator. *Id.* All payments may be prorated based on the number of claims made. *Id.*

4. **Service Awards, Attorneys’ Fees, and Costs** – The Agreement calls for a reasonable Service Award for the three Settlement Class Representatives of \$2,500.00 each, for a total of \$7,500.00. *Id.* ¶ 128. These awards are meant to compensate them for their efforts on the Settlement Class’s behalf, including serving as named Plaintiffs, assisting in the Action’s investigation, maintaining contact with Settlement Class Counsel, reviewing case documents, and answering Settlement Class Counsel’s questions. Joint Decl. ¶ 28. As explained in the Agreement and the Notices to the Settlement Class, Settlement Class Counsel also seek an attorneys’ fees and

costs award not to exceed one-third of the Settlement Fund (\$151,400.00). Agreement ¶ 127; Joint Decl. ¶ 31. The Parties negotiated Plaintiffs' Service Award and an award of Attorneys' Fees and costs separately from the Benefits and Cash Payments described above. *Id.* ¶ 129; Joint Decl. ¶ 32. To date, not a single Settlement Class Member has objected to the amounts sought. Admin Decl. ¶ 32.

5. **Releases** – The Releasing Parties fully, finally, and forever released, acquitted, relinquished, and completely discharged the Released Parties from any and all Released Claims, including but not limited to any state law or common law claims arising out of or relating to the Security Incident that the Releasing Parties may have or had. Agreement ¶¶ 124-126.

6. **Settlement** – Class members who opt-out of the Settlement prior to the Opt-Out Deadline do not release their claims and will not obtain any benefits, including any Settlement Class Member Benefit, under the Settlement. *Id.*

IV. NOTICE PROGRAM, CLAIMS PROCESS, OPT-OUTS AND OBJECTIONS

A. The Notice Program Satisfied Rule 23 and Due Process

The Settlement Administrator implemented the Notice Program in full compliance with the Settlement Agreement and the Preliminary Approval Order. *See* Admin. Decl. ¶ 40. Commencing on February 4, 2026, Postcard Notices were sent to 22,664 Settlement Class Members, which includes all those for whom Defendant provided a mailing address or for whom the Settlement Administrator could determine an updated address. *Id.* ¶¶ 24-25. Postcard Notices returned as undeliverable were re-mailed to new addresses found using a reasonable address trace service. *Id.* ¶ 26. As of March 20, 2026, the Settlement Administrator expects the Notice Program would have reached approximately 99 percent of identified Settlement Class Members (22,574), far exceeding the Federal Judicial Center's standard of 70 to 95 percent, and consistent with other court-

approved, best practicable notice programs. *Id.* ¶ 28; *see* FEDERAL JUDICIAL CENTER, “Judges’ Class Action Notice and Claims Process Checklist and Plain Language Guide” (2010) (recognizing the effectiveness of notice that reaches between 70 and 95 percent of the class).

The Postcard Notice clearly and concisely summarizes the Settlement and the Settlement Class’s legal rights and it directs Settlement Class members to the Settlement Website for additional information, including the Long Form Notice, Settlement Agreement, and details on the Claim Process. Admin Decl., Attachment 3. The Long Form Notice, which details the procedures to opt-out or object to the Settlement or to make a Claim, is also available on the Settlement Website and by mail upon a Settlement Class member’s request. *Id.*, Attachment 4.

The Settlement Website, <https://jwusecurityincident.com/>, which went live on February 3, 2026, contains a summary of the Settlement, includes important documents and relevant dates and information, and serves as a portal for Settlement Class Members to file Claim Forms. *Id.* ¶ 29. As of March 20, 2026, there have been 987 unique visitor visits to the Settlement Website. *Id.* Additionally, on February 3, 2026, the Settlement Administrator established a toll-free telephone line (1-877-745-7766) for Settlement Class members to call with Settlement-related inquiries. *Id.* ¶ 30. As of March 20, 2026, there have been 54 calls to the tollfree line, and 42 callers have been connected to live operators. *Id.* To satisfy the requirements of due process, “[t]he court must direct notice in a reasonable manner to all members who would be bound by the proposal.” Fed. R. Civ. P. 23(e)(1); *Reppert v. Marvin Lumber & Cedar Co.*, 359 F.3d 53, 56 (1st Cir. 2004). “The notice program need not be perfect, but it must provide the ‘best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort.’” *Medoff v. CVS Caremark Corp.*, No. 09-cv-554-JNL, 2016 U.S. Dist. LEXIS 19135, at *23 (D.R.I. Feb. 17, 2016) (quoting Fed. R. Civ. P. 23(c)(2)(B)).

Here, the Notices adequately inform the Settlement Class of the nature of the Action, the Settlement Class definition, the claims at issue, the binding effect of Final Approval and class judgment, and the Settlement Class members' rights to object, opt-out, and/or enter an appearance through an attorney. Admin Decl., Attachments 3-5. The forms of Notice utilized clear and concise language that is easy to understand. Moreover, the Settlement Administrator—with the Parties' assistance—is taking all reasonably necessary measures to ensure Notice reaches as many Settlement Class members as reasonably possible. Thus, the Notice provided has been consistent with the Notice Program the Court approved in its Preliminary Approval Order, satisfies due process considerations of the United States Constitution, and weighs in favor of Final Approval. Joint Decl. ¶ 22.

B. Claims, Opt-Outs, and Objections

The Claim Process was structured to give all Settlement Class members adequate time to review the Settlement terms, submit Claims, and decide whether to opt-out of or object to the Settlement. Joint Decl. ¶ 23. The Opt-Out, Objection Deadlines, and Claim Form Deadlines are April 6, 2026². Admin Decl. ¶¶ 32, 34. As of March 20, 2026, the Settlement Administrator has received 1,122 Claim Forms, one opt-out requests, and zero objections. *Id.* Settlement Class Counsel will update the Court with the final Notice Program and Claim Process results at the Final Approval Hearing, including responding to any additional opt-outs or objections, if filed.

² Defendant disagrees with the Claim Form Deadline challenging that pursuant to this Court's order granting Preliminary Approval of Class Action Settlement the Claim Form Deadline is April 5, 2026. (ECF No. 27). However, pursuant to Rule 6 of Federal Rules of Civil Procedure, a deadline that falls on a Saturday, Sunday, or legal holiday is moved to the next day that is not a Saturday, Sunday, or legal holiday. Furthermore, the Settlement Website, which Defendant approved the substance of, lists the Claims Deadline as April 6, 2026. Moreover, the Claims Deadline is the date by which claim forms must be postmarked. S.A. ¶ 18. Plaintiffs position is that it is unreasonable to have a "postmarked by" deadline fall on a day the post office is closed.

V. SETTLEMENT CLASS CERTIFICATION

For settlement purposes only, the Court’s Preliminary Approval Order preliminarily certified the Action as a class action for the Settlement Class, finding prerequisites of ascertainability, numerosity, commonality, typicality, adequacy, predominance, and superiority were satisfied pursuant to Rule 23(a) and (b)(3), and that the Settlement Class should be certified. ECF No. 27, at 3-4. The Court appointed Plaintiffs as Settlement Class Representatives pursuant to Rule 23(e)(2)(A), and Leigh S. Montgomery of Ellzey Kherkher Sanford Montgomery, LLP, Leanna A. Loginov of Shamis & Gentile P.A., and Grayson Wells of Stranch, Jennings & Garvey, PLLC as Settlement Class Counsel pursuant to Rule 23(g)(1). The Court also appointed Epiq as the Settlement Administrator and approved the Notice Program and Claim Process. Because nothing has changed regarding class certification, the Court should finally certify the Settlement Class. For efficiency, Plaintiffs incorporate by reference their Settlement Class certification arguments from the Motion for Preliminary Approval. ECF No. 26, § V(A).

VI. THE SETTLEMENT IS FAIR, REASONABLE, AND ADEQUATE

A. Rule 23(e)(2)’s Factors Weigh in Favor of Final Approval

As a matter of public policy, settlement is a highly favored means of resolving disputes—particularly in complex cases where substantial judicial resources can be conserved by avoiding litigation. *See U.S. v. Comunidades Unidas Contra La Contaminacion*, 204 F.3d 275, 280 (1st Cir. 2000); *see also Hotel Holiday Inn de Isla Verde v. N.L.R.B.*, 723 F.2d 169, 173 (1st Cir. 1983) (quoting *Pearson v. Ecological Sci. Corp.*, 522 F.2d 171 (5th Cir.1975)) (Settlement agreements “will be upheld wherever possible because they are a means of amicably resolving doubts and preventing lawsuits.”); *Jean-Pierre v. J&L Cable TV Servs.*, 538 F. Supp. 3d 208, 212 (D. Mass. 2021) (quoting *In re Lupron Mktg. and Sales Practices Litig.*, 228 F.R.D. 75, 88 (D. Mass 2005))

("[T]he law favors class action settlements[.]"); *Lazar v. Pierce*, 757 F. 2d 435, 440 (1st Cir. 1985) ("[W]e should point to the overriding public interest in favor of the voluntary settlement of disputes, particularly where class actions are involved[.]"). Class action settlements must be approved by the Court pursuant to Federal Rule of Civil Procedure 23(e). Rule 23(e)(2) sets forth the following final approval factors the court must consider when determining if the class action settlement is "fair, reasonable, and adequate":

(A) the class representatives and class counsel have adequately represented the class; (B) the proposal was negotiated at arm's length; (C) the relief provided for the class is adequate, taking into account: (i) the costs, risks, and delay of trial and appeal; (ii) the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims; (iii) the terms of any proposed award of attorney's fees, including timing of payment; and (iv) any agreement required to be identified under Rule 23(e)(3); and (D) the proposal treats class members equitably relative to each other.

Jean-Pierre, 538 F. Supp. 3d at 212-13. Considering these factors, the Settlement terms warrant Final Approval. The proposed Settlement is within the range of reasonableness and meets the criteria that is identified in Rule 23(e). "In most situations, unless the settlement is clearly inadequate, its acceptance and approval are preferable to lengthy and expensive litigation with uncertain results." 4 A Conte & H. Newberg, *Newberg on Class Actions*, § 11:50 at 155 (4th ed. 2002).

"First and foremost, '[i]f the parties negotiated at arm's length and conducted sufficient discovery, [this court] must presume the settlement is reasonable.'" *Medoff*, 2016 U.S. Dist. LEXIS 19135, at *6 (quoting *Howe v. Townsend (In re Pharm. Indus. Average Wholesale Price Litig.)*, 588 F.3d 24, 32-33 (1st Cir. 2009)). Here, after the Parties exchanged information sufficient to assess the strengths and weaknesses of their positions, the Settlement was negotiated at arm's

length. Joint Decl. ¶¶ 6, 33. The Settlement was indisputably the result of an adversarial, arm's-length negotiation.

The Settlement relief satisfies the adequacy requirement. Settlement Class Members benefit directly from the Settlement, including through cash compensation and up to three years of Credit Monitoring. Agreement ¶ 79. The Settlement's cash and credit monitoring benefits are guaranteed, whereas the chances of prevailing on the merits are uncertain. Joint Decl. ¶ 15.

Plaintiffs faced significant risks and costs should they have continued to litigate. Data breach cases are inherently complex, with novel issues and rapidly evolving laws posing substantial hurdles even at the pleading stage. *See, e.g., Hashemi v. Bosley, Inc.*, No. 21-cv-946, 2022 U.S. Dist. LEXIS 210946, at *9 (C.D. Cal. Nov. 21, 2022) (explaining that data breach class actions are a relatively new type of litigation and that damages methodologies in data breach cases are largely untested and have yet to be presented to a jury); *Gordon v. Chipotle Mexican Grill, Inc.*, No. 17-cv-01415-CMA-SKC, 2019 U.S. Dist. LEXIS 215430, at *3 (D. Colo. Dec. 16, 2019) (Data breach cases . . . are particularly risky, expensive and complex” due at least in part to the cutting-edge, innovative nature of data breach litigation and the rapidly evolving law; *see also In re Equifax Inc. Customer Data Sec. Breach Litig.*, No. 17-MD-2800, 2020 U.S. Dist. LEXIS 118209, at *240 (N.D. Ga. Mar. 17, 2020), *aff'd in relevant part* 999 F.3d 1247 (11th Cir. 2021), *cert. denied sub nom.* (in data breach “[t]he law . . . remains uncertain and the applicable legal principles have continued to evolve”). For these reasons, data breach cases like this one generally face substantial class certification hurdles. *See, e.g., In re Blackbaud, Inc., Customer Data Breach Litig.*, No. 3:20-MN-02972-JFA, 2024 U.S. Dist. LEXIS 86740, at *93 (D.S.C. May 14, 2024) (denying class certification after concluding proposed class and sub-classes were not ascertainable); *In Re: Blackbaud, Inc., Customer Data Breach Litig.*, No. 3:20-MN-02972-JFA,

2024 U.S. Dist. LEXIS 234064 , at *47 (D.S.C. Dec. 30, 2024) (denying motion for leave to file a renewed motion for class certification); *In re TJX Cos. Retail Sec. Breach Litig.*, 246 F.R.D. 389 (D. Mass. 2007) (denying class certification). Maintaining class certification is often an equally challenging hurdle. *See e.g., Marriott Int'l Inc. Customer Data Sec. Breach Litig.*, 78 F.4th 677 (4th Cir. Aug. 18, 2023) (decertifying classes). Further, if litigation continues, Defendant would vigorously defend, and the litigation could potentially span for years, given the many arguments available to Defendant as to the claims on the merits and against class certification. Joint Decl. ¶ 18. Thus, Plaintiffs' likelihood of success at trial is far from certain, and the recovery here is more than adequate under the circumstances. *Id.*

Plaintiffs would also need to prevail on a class-wide basis after a motion for summary judgment and both gain and maintain certification of the Settlement Class, with a near inevitable interlocutory appeal attempt. *Id.* ¶ 17. The path to a class-wide monetary judgment remains unpaved, particularly in the area of damages. *See, e.g., S. Indep. Bank v. Fred's, Inc.*, No. 2:15-CV-799-WKW, 2019 U.S. Dist. LEXIS 40036, at *3-4 (M.D. Ala. Mar. 13, 2019) (ruling under *Daubert* that causation not satisfied for class certification in data breach action). Indeed, the damages methodologies remain largely untested in disputed class certification settings and unproven in front of a jury. Joint Decl. ¶ 17.

Time was also not on the Settlement Class Members' side. While the Parties would be litigating the foregoing issues, potentially for years to come, Settlement Class Members would not receive Settlement Class Member Benefits, including the protection of Credit Monitoring offered by the Settlement. *Id.* ¶ 18. Thus, a reasonable settlement is more practical than facing the risks of no recovery at all after years of litigation.

In contrast to the risk, cost, and delay posed by proceeding to trial, if it is approved, the Settlement will provide defined relief to the Settlement Class. *Id.* ¶ 18. It ensures Settlement Class Members with Valid Claims will receive Cash Payments and/or Credit Monitoring that may not have been available at trial. *Id.* Based on the foregoing, it is Settlement Class Counsel’s well-informed opinion that, given the uncertainty and further substantial risk and expense of pursuing the Action through contested class certification proceedings, trial and appeal, the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Settlement Class. *Id.* ¶ 27. The Agreement treats Settlement Class Members equitably. The Settlement Class Members are all able to select from the two above-described options to obtain the benefit best tailored to their individual circumstances and they are all eligible to elect the same Credit Monitoring benefit as well. Plaintiffs and Settlement Class Counsel have represented the Settlement Class and completed an arm’s length negotiation that secured adequate relief; Settlement Class Members are treated equitably under the Settlement. The Court should therefore approve this Settlement.

B. The *Grinnell* Factors, or a Similar Analysis, Also Weigh in Favor of Final Approval

Courts in the First Circuit also consider the following “*Grinnell*” factors for final approval:

(1) the complexity, expense, and likely duration of the litigation; (2) the reaction of the class to the settlement; (3) the stage of the proceedings and the amount of discovery completed; (4) the risks of establishing liability; (5) the risks of establishing damages; (6) the risks of maintaining the class action through trial; (7) the ability of defendants to withstand a greater judgment; (8) the range of reasonableness of the settlement fund in light of the best possible recovery; and (9) the range of reasonableness of the settlement fund to a possible recovery in light of all the attendant risks of litigation.

Del Sesto v. Prospect CharterCARE, LLC, C.A. No. 18-328 WES, 2019 U.S. Dist. LEXIS 175173, at *10-11 (D.R.I. Oct. 9, 2019) (Smith, J.) (quoting *City of Detroit v. Grinnell Corp.*, 495 F.2d 448, 463 (2d Cir. 1974)); *see also* *Baptista v. Mut. of Omaha Ins. Co.*, 859 F. Supp. 2d 236, 240-41 (D.R.I. 2012) (Lisi, J.) (same); *In re Loestrin 24 Fe Antitrust Litig.*, Master File No. 1:13-

md2472-S-PAS, 2020 U.S. Dist. LEXIS 161552, at *31-32 (D.R.I. Sept. 1, 2020) (same); *see also In re Colgate-Palmolive Softsoap Antibacterial Hand Soap Mktg. & Sales Practices Litig.*, No. 12- MD-2320-PB, 2015 U.S. Dist. LEXIS 154602, at *29 (D.N.H. Nov. 16, 2015) (“Courts in this circuit, however, have often relied on the Second Circuit’s *Grinnell* factors, or some variation on those factors.”).

Courts, however, have broad discretion to apply fewer factors where appropriate. *Del Sesto*, 2019 U.S. Dist. LEXIS 175173, at *11 (“[A]lthough “[t]he case law offers ‘laundry lists of factors’ pertaining to reasonableness . . . ‘the ultimate decision by the judge involves balancing the advantages and disadvantages of the proposed settlement as against the consequences of going to trial or other possible but perhaps unattainable variations on the proffered settlement.’”). For example, the court in *Colgate-Palmolive Softsoap* noted, “Although I have discretion to apply *Grinnell* verbatim, I employ a more concise list”:

As such, I address the following considerations in turn: (1) comparison of the proposed settlement with the likely result of continued litigation; (2) risk, complexity, expense and duration of the case; (3) reaction of the class to the settlement; (4) stage of the litigation and the amount of discovery completed; and (5) quality of counsel and conduct during litigation and settlement negotiations.

2015 U.S. Dist. LEXIS 154602, at *29. These factors are considered below.

1. *The Comparison of the Proposed Settlement with the Likely Result of Litigation*

This factor is difficult in that there is little to no empirical evidence to determine how a jury would react to the claims at issue. To the undersigned counsel’s knowledge, no data breach class action has ever come to trial. Moreover, as discussed supra, the rapidly evolving world of data breach litigation demonstrates that there is substantial risk that this matter would ever get to trial.

“While it is possible to hypothesize about larger amounts that might have been recovered. . . [t]he evaluating court must . . . guard against demanding too large a settlement based on its view of the merits of the litigation; after all, settlement is a compromise, a yielding of the highest hopes in exchange for certainty and resolution.” *In re Lupron Mktg. & Sales Practices Litig.*, 228 F.R.D. 75, 97-98 (D. Mass 2005) (quoting *In re GMC Pick-Up Truck Fuel Tank Prods. Liab. Litig.*, 55 F.3d 768, 806 (3d Cir. 1995)); *Bezdek v. Vibram USA Inc.*, 79 F. Supp. 3d 324, 349 (D. Mass. 2015), *aff’d*, 809 F.3d 78 (1st Cir. 2015) (echoing the maxim that settlements are compromises and noting that “[t]he class members’ . . . worst-case scenario, and a plausible one, is that they would receive no damages award at all”).

Here, despite the serious risks of continued litigation, which also factors into the sixth element, including the risk of no recovery at all, the Settlement offers concrete relief to the Settlement Class. The Settlement Class Members can choose from either reimbursement for documented losses of up to \$1,000.00 or a *pro rata* cash payment—in addition to up to three years of valuable Credit Monitoring. *Cf. Bezdek*, 79 F. Supp. 3d at 346 (determining, after noting the obstacles facing the class members if they were to continue litigating the case that “[t]he relatively modest settlement payout that has crystallized following notice is a preferable outcome for class members”).

2. Reaction of the Class to the Settlement

The Settlement has received a positive reception from the Settlement Class. The 1,122 Claim Forms submitted thus far represent a roughly 4.9% claims rate. Admin Decl. ¶ 34. This already exceeds the claims rates seen in many data breach class actions. *See, e.g., In re Wawa, Inc. Data Sec. Litig.*, No. 19-6019, 2024 U.S. Dist. LEXIS 65200, at *71 (E.D. Pa. Apr. 9, 2024) (2.56% claims rate “actually compares favorably to the claims rates in other data breach class actions”);

Carter, 2023 U.S. Dist. LEXIS 210744 at *15 (1.6% claims rate “is in line with claims rates in other data breach class action settlements” and collecting cases with claims rates between 0.83% and “about two percent”); *In re Anthem, Inc. Data Breach Litig.*, 327 F.R.D. 299, 321 (N.D. Cal. 2018) (1.8% claims rate reflects a positive reaction by the class). As such, the claims rate should be seen as a favorable sign that the Settlement Class approves of this Settlement.

Likewise, “the lack of any serious objection to the settlement agreement from members of the class weighs in favor of approving the settlement.” *Medoff*, 2016 U.S. Dist. LEXIS 19135, at *6; see *Wal-Mart Stores, Inc. v. Visa U.S.A. Inc.*, 396 F.3d 96, 118 (2d Cir. 2005) (“If only a small number of objections are received, that fact can be viewed as indicative of the adequacy of the settlement.”). Here, out of over 22,710 Settlement Class Members, no one has objected to the Settlement so far, and only one has requested to opt-out. Admin Decl. ¶ 32. This reaffirms the Court’s preliminary conclusion that the Settlement is fair, reasonable, and adequate.

3. Stage of the Litigation and the Amount of Discovery Completed

Like the third *Grinnell* factor, this element involves “the parties’ knowledge of the strengths and weaknesses of the various claims in the case[.]” Indeed, “the Court need not find that the parties have engaged in extensive formal discovery to approve the settlement. Rather, [t]he Court must find that counsel had sufficient information to act intelligently on behalf of the class.” *Padro v. Astrue*, 11-CV-1788 CBA RLM, 2013 U.S. Dist. LEXIS 150494, at *15-16 (E.D.N.Y. Oct. 18, 2013) (internal citations and quotation omitted). The Parties had sufficient information to understand the strengths and weaknesses of their respective claims and defenses. Joint Decl. ¶ 33. The Court can thus “find that the parties had a sufficient understanding of the merits of the case in order to engage in informed negotiations, particularly where plaintiffs’ counsel are skilled and

experienced in consumer class action litigation, including [cases of this type].” *Bezdek*, 79 F. Supp. 3d at 348.

4. *Quality of Counsel*

“Finally, in evaluating whether the settlement is fair, reasonable, and adequate, the Court also gives due weight to the judgment of class counsel.” *In re Equifax Inc. Customer Data Sec. Breach Litig.*, 2020 U.S. Dist. LEXIS 118209, at *176. As this Court found at Preliminary Approval, Settlement Class Counsel are “experienced and adequate counsel.” ECF No. 27 at 9. Settlement Class Counsel have pursued the Settlement Class’s interests in securing a Settlement bringing benefits, while avoiding the risks of continued litigation. To do so, they leaned on their extensive experience in data breach litigation and their detailed investigation of this particular matter. Joint Decl. ¶¶ 6, 26, 33. Defendant is represented by experienced counsel who are highly competent adversaries from well-respected law firms. *See Walco Invs. v. Thenen*, 975 F. Supp. 1468, 1472 (S.D. Fla. 1997) (“Given the quality of defense counsel from prominent national law firms, the Court is not confident that attorneys of lesser aptitude could have achieved similar results.”). This factor favors Final Approval.

5. *Conduct of the Negotiations*

Here, the Agreement is clearly the product of good-faith arm’s-length negotiations and there is no evidence of fraud or collusion. After an exchange of information related to liability and damages and rigorous negotiations, the Parties negotiated a fair and reasonable settlement similar to or exceeding the value of other similar data breach class action settlements. Joint Decl. ¶¶ 6, 19, 26, 33. Thereafter, the Parties spent weeks negotiating, drafting, and finalizing the finer points of the Settlement in the Agreement. *Id.* ¶ 33. There has been no fraud or collusion, and there are no agreements among the Settling Parties or their counsel apart from the Settlement Agreement. *Id.* ¶

14. Moreover, the proposed Settlement does not favor any Settlement Class member over any other. *Id.* ¶ 20. As noted above, “[i]f the parties negotiated at arm's length and conducted sufficient discovery, the district court must presume the settlement is reasonable.” *In re Pharm. Indus. Average Wholesale Price Litig.*, 588 F.3d at 32–33. Accordingly, this factor favors Final Approval.

6. Prospects of the Case, Including Risk, Complexity, Expense and Duration

As discussed above with respect to the Rule 23(e)(2) factors, there is substantial risk and complexity in a consumer data breach action, and success for Plaintiffs is far from assured. In finding a similar factor favored approval in a data breach context, a court noted the following:

The risks of litigation for both parties and the costs of proceeding to trial support a finding that the settlement is reasonable. As the plaintiffs point out, lengthy discovery, including the deposing of expert witnesses on damages, motions for summary judgment, and a motion for class certification would occur before final resolution could take place. The calculation of damages at trial is uncertain given that law in this area is developing.

In re Novant Health, Inc., 1:22-CV-697, 2024 U.S. Dist. LEXIS 107949, at *20 (M.D.N.C. June 17, 2024). Given the uncertainty in data breach litigation, a real likelihood of an appeal from the party that does not prevail could extend the time and expense for resolution beyond that which makes economic sense for the Plaintiffs and the Settlement Class. Joint Decl. ¶ 17. This factor favors Final Approval.

Because the Rule 23(e)(2) factors and the other factors courts in this District and Circuit follow are satisfied, Final Approval of the Settlement should be granted.

VII. APPLICATION FOR ATTORNEYS’ FEES, COSTS, AND SERVICE AWARDS

A. Legal Standard for Attorneys’ Fees

Federal Rule of Civil Procedure 23(h) provides: “[i]n a certified class action, the court may award reasonable attorneys’ fees and nontaxable costs that are authorized by law or by the parties’

agreement.” Under the common fund doctrine, “attorneys whose efforts lead to the creation of a fund for the benefit of the class are ‘entitled to a reasonable attorney’s fee from the fund as a whole.’” *In re Neurontin Mktg. & Sales Pracs. Litig.*, 58 F. Supp. 3d 167, 170 (D. Mass. 2014) (quoting *Boeing Co. v. Van Gemert*, 444 U.S. 472, 478 (1980)); *Bezdek*, 79 F. Supp. 3d at 349 (“Attorneys in a certified class action may be awarded reasonable fees and costs.”). When awarding attorneys’ fees, the First Circuit allows computing attorneys’ fees in common fund cases as a percentage of the fund, “subject, of course, to considerations of reasonableness,” or by fashioning a lodestar. *In re Thirteen Appeals Arising out of the San Juan Dupont Plaza Hotel Fire Litig.*, 56 F.3d 295, 305 (1st Cir. 1995). However, the First Circuit in *Thirteen Appeals* emphasized that the “percentage of the fund” approach has many advantages in complex cases like this one and is the traditional approach. *Id.* at 305-07. Specifically, the First Circuit noted the percentage of the fund approach is easy to administer, reduces the possibilities of collateral disputes, enhances judicial efficiency, is less taxing on judicial resources, and “better approximates the workings of the marketplace.” *Id.* at 307; *see also Carlson v. Target Enter.*, 447 F. Supp. 3d 1, 3 (D. Mass Mar. 23, 2020) (“In the First Circuit, the percentage of fund methodology . . . is favored and appropriate in common fund cases.”); *accord In re Loestrin*, 2020 U.S. Dist. LEXIS 161552, at *31-32 (using the percentage of the fund method). There is no requirement to apply a lodestar analysis in a class action settlement. *See Trombley v. Bank of Am. Corp.*, No. 08-cv-456-JD, 2013 U.S. Dist. LEXIS 130550, at *22-23 (D.R.I. Sept. 12, 2013) (citing *Thirteen Appeals*). Therefore, Settlement Class Counsel request that the Court use the percentage of the fund method.

B. The Requested Attorneys’ Fees Award is Fair and Reasonable

Plaintiffs here seek Court approval of Class Counsel attorneys’ fees of one-third of the cash \$454,200.00 Settlement Fund (\$151,400.00). Joint Decl. ¶ 31. This request is within the range of

attorneys' fee requests that have been approved in this District and within the First Circuit, including in similar data privacy class actions. *See Kondash v. Citizens Bank*, Case No. 18-cv00288-WES-LDA, 2020 U.S. Dist. LEXIS 241588, (D.R.I. Dec. 23, 2020) (finding fee of one-third of the Settlement Fund "eminently reasonable"); *In re Loestrin 24 Fe Antitrust Litig.*, 2020 U.S. Dist. LEXIS 125745, at *44-45 (approving fee of one-third of settlement fund as "fair, reasonable and appropriate compensation for the work done by [counsel] to create the Fund"); *Gambino v. Berry, Dunn, Mcneil & Parker LLC*, No. 2:24-cv-146 (D. Me. June 6, 2025) (same); *In re Sovos Compliance Data Sec. Incident Litig.*, No. 1:23-cv-12100 (ECF No. 51) (D. Mass. July 23, 2024) (same); *Fiorentino v. Flosports, Inc.*, Case No. 1:22-cv-11502 (D. Mass. Mar. 5, 2024) (same); *Meaden et al. v. Harborone Bank*, Case No. 1:23-cv-10467-AK (D. Mass. Nov. 14, 2023) (same); *In re Solodyn Antitrust Litig.*, No. 14-md-2503, 2018 U.S. Dist. LEXIS 244677, at *11 (D. Mass. July 18, 2018) (same); *In re Asacol Antitrust Litig.*, No. 1:15-CV-12730-DJC, 2017 U.S. Dist. LEXIS 221904, at *18 (D. Mass. Dec. 7, 2017) (same); *In re Prograf Antitrust Litig.*, No. 1:11-MD-02242-RWZ, 2015 U.S. Dist. LEXIS 199792, 2015 WL 13908415, at *13-14 (D. Mass. May 20, 2015) (same); *Klein, et al. v. Bain Capital Partners, LLC, et al.*, 07-cv-12388-WGY (D. Mass. Feb. 2, 2015) (same). "[N]early two-thirds of class action fee awards based on the percentage method were between 25% and 35% of the common fund." *In re Neurontin Mktg. & Sales Practices Litig.*, 58 F. Supp. 3d 167, 172 (D. Mass. Nov. 10, 2014).

Moreover, in the Preliminary Approval Order, the Court already found Plaintiffs' intention to seek no more than one-third of the Settlement Fund in attorneys' fees as reasonable. ECF No. 27, at 3-4. Since then, the Settlement Class's reaction to the robust and informative Notice Program has been positive, with a higher than typical claims rate and currently no objections to this award. As explained below, the one-third award remains reasonable.

C. The Relevant Factors Considered by Courts in this Circuit Support the Requested Fees Award

When determining the reasonableness of attorneys' fees as a percentage of the fund award, the First Circuit has not endorsed a specified set of factors. However, courts in this Circuit generally consider "the size of the fund and the number of persons benefitted; the skill, experience, and efficiency of the attorneys involved; the complexity and duration of the litigation; the risks of the litigation; the amount of time devoted to the case by counsel; awards in similar cases; and public policy considerations." *In re Loestrin 24 Fe Antitrust Litig.*, 2020 U.S. Dist. LEXIS 125745, at *40 ("For guidance in establishing the reasonableness of a percentage-based fee award, courts in this Circuit have looked to the factors set forth in [*Goldberger*]."); *In re Neurontin*, 58 F. Supp. 3d at 170 (considering the same factors) (quoting *In re Lupron Mktg. & Sales Practices Litig.*, No. 01-CV-10861 RGS, 2005 U.S. Dist. LEXIS 17456, at *12 (D. Mass. Aug. 17, 2005) (citing *Goldberger v. Integrated Res., Inc.*, 209 F.3d 43, 50 (2d Cir. 2000))). Each of these factors support the requested one-third fee as fair and reasonable.

1. Size of the Fund and the Number of Persons Benefited

With any class action settlement, the results obtained are the most important. Settlement Class Counsel secured a \$454,200.00 non-reversionary all cash Settlement Fund for the benefit of Plaintiffs and the Settlement Class. This amount equates to \$20.00 per Settlement Class Member, a number that exceeds the results achieved in many other recent data breach settlements. *See, e.g., Gambino v. Berry, Dunn, Mcneil & Parker LLC*, No. 2:24-cv-146 (D. Me. June 6, 2025) (approving requested one-third fee award with settlement relief equating to \$3.29 per class member); *In re Sovos Compliance*, 1:23-cv-12100 (ECF No. 51) (D. Mass. July 23, 2024) (approving requested one-third fee award with settlement relief equating to \$7.14 per class member); *In re Loancare Holdings, Inc. Data Breach Litig.*, No. 8:22-cv-01472, 2024 U.S. Dist.

LEXIS 110789, at *11-12 (M.D. Fla. June 24, 2024) (approving requested one-third fee award with settlement relief equating to \$2.50 per class member); *In re Forefront Data Breach Litig.*, No. 1:21-cv-00887, 2023 U.S. Dist. LEXIS 175848, at *29 (E.D. Wis. Mar. 22, 2023) (approving requested one-third fee award with settlement relief equating to \$1.55 per class member). Thus, the Settlement Fund for this Settlement Class is sufficient to award a one-third fee award.

2. Settlement Class Counsel’s Skills, Expertise, and Efficiency

In evaluating the skill and efficiency of class counsel, courts determine whether counsel, “had a sufficient understanding of the merits of the case in order to engage in informed negotiations, particularly where plaintiffs’ counsel are skilled and experienced in consumer class action litigation[.]” *Bezdek*, 79 F. Supp. 3d at 348, *aff’d*, 809 F.3d 78 (1st Cir. 2015). Indeed, Settlement Class Counsel’s skill and experience in complex class action litigation weigh in favor of the requested attorneys’ fee award. Settlement Class Counsel’s background and the background of the supporting attorneys and staff of Ellzey Kherkher Sanford Montgomery, LLP, Shamis & Gentile P.A., and Stranch, Jennings & Garvey, PLLC demonstrate that Settlement Class Counsel is experienced in the highly specialized field of class action litigation—particularly data breach class action litigation—and are well-credentialed and equal to the difficult and novel tasks at hand. Joint Decl. ¶ 26 & Exs. 1-2. Settlement Class Counsel’s attorneys’ fee request is commensurate with that experience, which was leveraged here to procure the Settlement via early resolution of the Action.

In addition to the Settlement Fund amount, when looking at the quality of Settlement Class Counsel’s representation, courts typically find the absence or near absence of objections from the class to the attorneys’ fees request supports the reasonableness of those fees. *See Bezdek*, 79 F. Supp. 3d at 347 (observing the “overwhelmingly positive” reaction of the class, which yielded

only 23 optouts and 3 objections); *Maley v. Del Global Techs. Corp.*, 186 F. Supp. 2d 358, 374 (S.D.N.Y. 2002) (“The reaction by members of the Class is entitled to great weight by the Court.”). The Settlement Class’ reaction thus far strongly suggests their support for the Settlement and the proposed attorneys’ fee award.

3. Complexity and Duration of the Litigation

Settlement Class Counsel anticipated facing several challenges in prosecuting this Action, which factored into negotiating the valuable Settlement. Joint Decl. ¶ 17. Due at least in part to the cutting-edge nature of data protection technology and rapidly evolving law, data breach cases like this one are particularly complex and face substantial hurdles. *See, e.g., Pfeiffer v. Radnet, Inc.*, No. 2:20-cv-09553, 2022 U.S. Dist. LEXIS 125933, at *6-7 (C.D. Cal. Feb. 15, 2022) (“Historically, data breach cases have had great difficulty in moving past the pleadings stage and receiving class certification.”); *Gaston v. Fabfitfun, Inc.*, No. 2:20-cv-09534, 2021 U.S. Dist. LEXIS 250695, at *7 (C.D. Cal. Dec. 9, 2021) (“data breach class actions are among the riskiest and uncertain of all class action litigation due to the absence of direct precedent certifying data breach cases as class actions”); *In re Sonic Corp. Customer Data Sec. Breach Litig.*, No. 1:17-md-2807, 2019 U.S. Dist. LEXIS 135573, at *14 (N.D. Ohio Aug. 12, 2019) (“Data breach litigation is complex and risky.”). Thus, absent this Settlement, Settlement Class Members may never have secured relief, financial, or otherwise, and would have otherwise endured lengthy, expensive, and arduous litigation. *See* Joint Decl. ¶¶ 15-19. The litigation’s complexity is not diminished by the fact that Settlement Class Counsel was able to reach a prompt and efficient settlement. By reaching this Settlement prior to dispositive motions or trial, Plaintiffs and Settlement Class Members avoid significant expense and delay and instead ensure a fair recovery for the Settlement Class. *See Babcock v. C. Tech Collections, Inc.*, No. 1:14-CV-3124 (MDG), 2017 U.S. Dist. LEXIS 44548,

at *14 (E.D.N.Y. Mar. 27, 2017) (“[T]he settlement provides certain compensation to the class members now, rather than awaiting an eventual resolution that would result in further expense without any definite benefit to class members[.]”).

Accordingly, the novelty and complex nature of data breach class action cases supports the requested attorneys’ fee award to reasonably compensate Settlement Class Counsel for resolving this Action efficiently while timely recovering the maximum amount available to the Settlement Class.

4. Contingency and Risky Nature of Litigation

The uncertain nature of contingency fees required Settlement Class Counsel to assume more risk than in cases where compensation is based on billable hours. The risk in prosecuting a data breach class action, judged by the novelty and complex issues discussed above, is an important consideration in determining an appropriate attorneys’ fee award and is intended to recognize that cases taken on a contingent fee basis entail risk of non-payment for the attorneys who prosecute them. This factor also embodies an assumption that contingency work is entitled to greater compensation than non-contingency work. *In re Lupron*, 2005 U.S. Dist. LEXIS 17456, at *15 (“[m]any cases recognize that the risk assumed by an attorney is perhaps the foremost factor in determining an appropriate fee award”); *see also Brulee v. Dal Global Servs., LLC*, No. CV 17-6433, 2018 U.S. Dist. LEXIS 211269, at *28 (C.D. Cal. Dec. 13, 2018) (“Attorneys are entitled to a larger fee award when their compensation is contingent in nature”).

Here, Settlement Class Counsel undertook this Action on a purely contingent basis, with no assurance of recovery of costs or compensation for their time. Joint Decl. ¶ 35. As such, they assumed significant risk of nonpayment or underpayment. *Id.* Furthermore, the attorneys involved have foregone the ability to devote time to other cases and advanced their own funds to prosecute

the Action, all at the substantial risk it would yield no (or very little) recovery and leave them uncompensated for their time and out-of-pocket costs. *Id.* Despite these substantial risks, Settlement Class Counsel remained steadfast and chose to represent Plaintiffs on contingency. *See Pfeiffer*, 2022 U.S. Dist. LEXIS 125933, at *7 (“Because Class Counsel took this case on a contingency basis in a risky and still-developing area of law, this factor weighs in favor of the proposed attorneys’ fee award.”). Because Settlement Class Counsel invested substantial time, effort, and resources into the litigation of this risky and uncertain case with no guarantee or promise of return on their investment, such risk warrants an appropriate fee. *George v. Acad. Mortg. Corp.*, 369 F. Supp. 3d 1356, 1380 (N.D. Ga. Mar. 20, 2019) (“[A] contingency fee arrangement often justifies an increase in the award of attorney’s fees[.]”).

5. Settlement Class Counsel and Plaintiffs’ Additional Counsel Devoted Extensive Time

Settlement Class Counsel and additional Plaintiffs’ counsel devoted extensive time prosecuting Plaintiffs’ claims efficiently and effectively to ensure the best possible outcome for the Settlement Class could be achieved. Joint Decl. ¶¶ 33-34. Though the Court need not perform a lodestar analysis, even as a lodestar crosscheck, Settlement Class Counsel offer the combined lodestar for Settlement Class Counsel and additional Plaintiffs’ counsel here is \$152,955.00 reflecting for the 191.5 hours of combined attorney and paralegal time invested in the Action thus far. Joint Decl. ¶¶ 40, 42. This time included investigating and drafting the initial complaints in the Related Actions; drafting the motion to consolidate the Related Actions and appoint interim class counsel; drafting the consolidated complaint; drafting discovery; negotiating a complex Settlement Agreement, including the Notices and Claim Form; moving for and successfully obtaining Preliminary Approval; working in concert with the Settlement Administrator; monitoring the Notice Program and Claim Process; and preparing this Motion. *Id.* ¶ 39. As it

currently stands, if approved by the Court, the one-third of the Settlement Fund requested results in a multiplier of approximately 0.99. *Id.* ¶ 41. *See, e.g., New England Carpenters Health Ben. Fund, et al. v. First Databank, Inc.*, 2009 U.S. Dist. LEXIS 68419 (D. Mass. Aug. 3, 2009) (approving 8.3 lodestar multiplier).

Moreover, Settlement Class Counsel will spend additional time going forward preparing for, and appearing at, the Final Approval Hearing, overseeing the final weeks of the Claims Process, and handling all post-Settlement approval issues. Joint Decl. ¶ 42. Based on prior experience, Settlement Class Counsel estimate an additional 50 hours will be invested in this Action. *Id.* Factoring in that additional time further decreases the multiplier. Therefore, this Court should “defer to the winning lawyer’s professional judgment as to how much time he was required to spend on the case” and find Settlement Class Counsel’s lodestar is reasonable and supports an appropriate valuation of the time spent. *Moreno v. City of Sacramento*, 534 F.3d 1106, 1112 (9th Cir. 2008); *see also Rodriguez v. County of L.A.*, 96 F. Supp. 3d 1012, 1024 (C.D. Cal. Dec. 26, 2014) (“Courts generally accept the reasonableness of hours supported by declarations of counsel.”).

These efforts, taken with the risk of no recovery, amply support the requested award in this case, and demonstrate that the attorneys’ fees requested here have been well earned.

6. Awards in Similar Cases

The attorneys’ fee award sought here is within the range of fees typically awarded in similar cases in the First Circuit and in this District in class actions involving non-reversionary all cash settlement funds. *See, e.g., Ford v. Takeda Pharms. U.S.A., Inc.*, No. 1:21-cv-10090, 2023 U.S. Dist. LEXIS 93286, at *8 (D. Mass. Mar. 31, 2023) (awarding one-third); *Gambino v. Berry, Dunn, Mcneil & Parker LLC*, No. 2:24-cv-146 (D. Me. June 6, 2025) (awarding a one-third attorneys’

fee in a data breach action); *In re Sovos Compliance Data Security Incident Litig.*, No. 1:23-cv12100 (ECF No. 51) (D. Mass. July 23, 2024) (same); *Kondo, et al. v. Creative Servs., Inc.*, No. 1:22-cv-10438-DJC, ECF No. 39 (D. Mass. Sept. 7, 2023) (same).

Additional examples of courts around the country awarding one-third for attorneys' fees in data breach settlements include: *In re Fortra File Transfer Software Data Sec. Breach Litig.*, No. 24-MD-03090, 2025 WL 457896, at *11-12 (S.D. Fla. Feb. 11, 2025) (approving 33.33% of the settlement fund); *In re Planet Home Lending, LLC Data Breach*, No. 3:24-cv-127 (KAD) (D. Conn.), ECF No. 48 (same); *In re CorrectCare Data Breach Litig.*, No. 5:22-319-DCR, 2024 WL 4211480, at *4 (E.D. Ky. Sept. 14, 2024) (same); *Alliance Ophthalmology, PLLC v. ECL Group, LLC*, Nos. 1:22-CV-296, 1:22-CV-468, 2024 WL 3203226, at *14-16 (M.D.N.C. June 27, 2024); *Abrams, et al. v. The Savannah College of Art and Design Inc.*, No. 1:22-cv-04297-LMM, ECF No. 29 (N.D. Ga. Sept. 23, 2023) (same); *Phelps, et al. v. Toyotetsu N. Am.*, No. 6:22-cv-00106-CHB-HA, ECF No. 47 (E.D. Ky. Oct. 25, 2023) (same); *In re: Forefront Data Breach Litig.*, No. 1:21-cv-000887-LA, 2023 WL 6215366, at *9 (E.D. Wis. Mar. 22, 2023) (same); and *Davidson v. Healthgrades Operating Co., Inc.*, No. 1:21-cv-01250-RBJ, ECF No. 50 (D. Colo. Aug. 22, 2022) (same).

7. Public Policy Considerations

Finally, “[t]he public benefits when attorneys undertake a complex commercial case that implicates consumer protections and data privacy. In addition to providing compensation to injured class members, the litigation and settlement of plaintiffs’ claims incentivizes retailers to take stronger data-protection measures.” *In re Hudson’s Bay Co. Data Sec. Incident Consumer Litig.*, No. 18-cv-8472, 2022 U.S. Dist. LEXIS 102805, at *67 (S.D.N.Y. June 8, 2022); *see also In re Lupron*, 2005 U.S. Dist. LEXIS 17456, at *22-23 (“[T]here is a significant societal interest in

obtaining redress for . . . consumers whose harms could not, given the cost of litigation, be pursued on an individual basis.”). While court-awarded fees must be reasonable, setting fees too low or randomly will create poor incentives to bringing large class action cases. *See In re GSE Bonds Antitrust Litig.*, No. 19- cv-1704, 2020 U.S. Dist. LEXIS 104842, at *24 (S.D.N.Y. June 16, 2020) (“Generally, public policy is served by ensuring a fee is large enough to incentivize lawyers to bring meritorious class actions in the future.”).

D. Settlement Class Counsel’s Costs are Reasonable and Should Be Reimbursed.

“Lawyers who recover a common fund for a class are entitled to reimbursement of litigation expenses that were reasonably and necessarily incurred in connection with the litigation.” *Ford v. Takeda Pharms. U.S.A., Inc.*, No. 1:21-cv-10090-WGY, 2023 U.S. Dist. LEXIS 93286, at *7-8 (D. Mass. Mar. 31, 2023). Here, Settlement Class Counsel incurred \$2,464.22 in litigation costs that were necessary and reasonable for the representation of the Settlement Class. Joint Decl. ¶ 45. These costs include the various court filing fees, service costs, legal research, and pro hac vice fees. *See, e.g., Baptista*, 859 F. Supp. 2d at 244 (Lisi, J.) (reimbursing litigation costs for “filing fees, the cost of mediation, travel expenses, including airfare and overnight stays, out-of-pocket fees for computerized legal research, printing and other minor expenses”).

E. The Requested Service Awards Should Be Approved.

Finally, the Settlement Class Representatives respectfully request approval of \$2,500.00 Service Awards for each Settlement Class Representative. These awards (also referred to as incentive awards) recognize Plaintiffs instituted the actions, spent time communicating with Settlement Class Counsel, fulfilled litigation responsibilities, and took on the risks inherent with publicly attaching themselves to the lawsuit. *See, e.g., In re Loestrin 24 Fe Antitrust Litig.*, 2020 U.S. Dist. LEXIS 125745, at *46-47 (“Because ‘a named plaintiff is an essential ingredient of any

class action, an incentive award can be appropriate to encourage or induce' participation in the lawsuit." (quoting *In re Solodyn Antitrust Litig.*, 2018 U.S. LEXIS 164688, at *2)); *In re Lupron*, 2005 U.S. Dist. LEXIS 17456, at *24-25 ("Incentive awards serve an important function in promoting class action settlements[.]"). "In granting incentive awards to named plaintiffs in class actions, courts consider not only the efforts of the plaintiffs in pursuing the claims, but also . . . rewarding representative plaintiffs for being instrumental in obtaining recoveries for persons other than themselves." *Bussie v. Allmerica Fin. Corp.*, No. 97-40204, 1999 U.S. Dist. LEXIS 7793, at *11-12 (D. Mass. May 19, 1999). These awards are in line with others that courts have approved. *Id.* (approving \$5,000 each for the four representative plaintiffs); *see also In re Intuniv Antitrust Litig.*, 2022 U.S. Dist. LEXIS 13893, at *7 (approving \$5,000 services awards); *Kodash v. Citizens Bank*, 2020 U.S. Dist. LEXIS 241588, at *2 n.2 (D.R.I. Dec. 23, 2020) (approving \$15,000 incentive award). Here, Plaintiffs initiated lawsuits, agreed to serve as Settlement Class Representatives, and have been actively involved in the Action. Joint Decl. ¶ 29. Plaintiffs pursued the interests of the Settlement Class by undertaking responsibilities attendant to serving as class representatives, including, without limitation, periodically conferring with Settlement Class Counsel, providing relevant documents and information, and reviewing pleadings, Settlement documents, and other filings in the Action. *Id.* The information they provided Settlement Class Counsel was critical in determining the legal claims to be asserted. *Id.* Accordingly, given Plaintiffs' time and efforts in supporting the litigation, combined with the risks and burdens of serving as Settlement Class Representatives, the application for a \$2,500.00 Service Award to each Settlement Class Representative should be granted.

VIII. CONCLUSION

Plaintiffs and Settlement Class Counsel respectfully request the Court enter a Final Approval Order (1) granting Final Approval of the Settlement; (2) affirming certification of the Settlement Class for settlement purposes, pursuant to Rule 23(a) and (b)(3); (3) confirming Plaintiffs' appointment as Settlement Class Representatives; (4) confirming the appointments of Leigh S. Montgomery of Ellzey Kherkher Sanford Montgomery, LLP; Leanna A. Loginov of Shamis & Gentile P.A., and Grayson Wells of Stranch, Jennings & Garvey, PLLC as Settlement Class Counsel pursuant to Rule 23(g)(1); (v) confirming the appointment of Epiq as Settlement Administrator; (5) awarding Settlement Class Counsel \$151,400.00 for attorneys' fees and costs; (6) awarding each Settlement Class Representative a \$2,500.00 Service Award; (7) overruling timely objections, if any; and (8) entering final judgment dismissing the Action with prejudice and reserving jurisdiction over Settlement implementation. Plaintiffs attach a proposed Final Approval Order as Exhibit C, updating the form that is an exhibit to the Agreement.

CLASS ACTION

CASE NO. 1:24-CV-00399-JJM-PA

**JOINT DECLARATION OF SETTLEMENT CLASS COUNSEL
IN SUPPORT OF PLAINTIFFS' UNOPPOSED MOTION FOR
FINAL APPROVAL OF CLASS ACTION SETTLEMENT**

We, Grayson Wells, Leanna A. Loginov, and Leigh S. Montgomery, declare as follows:

1. We are Settlement Class Counsel¹ for the Settlement Class in the above-captioned case. This declaration supports Plaintiffs' Unopposed Motion for Final Approval of Class Action Settlement and Application for Attorneys' Fees, Costs, and Service Awards.

2. Unless otherwise noted, we have personal knowledge of the facts set forth in this declaration and could testify competently to them if called upon to do so.

3. Defendant is a private university offering undergraduate and graduate degree programs. On or around September 19, 2024, a third party acting on behalf of Defendant began sending notice letters to individuals advising them the university "learned of activity in our network that happened without our permission. In response, JWU took immediate steps to secure

¹ All capitalized terms herein shall have the same meanings as those defined in Section II of the Settlement Agreement.

its systems and promptly launched an investigation. In so doing, JWU engaged digital forensics and incident response specialists to determine the nature and scope of the incident and to identify any information that may have been accessed or acquired without authorization as a result. On August 21, 2024, JWU learned that personal information of yours may have been accessed in connection with the incident. Please note that JWU has no evidence of the misuse or attempted misuse of any potentially accessed information.” Those notices stated that the potentially compromised information may have included personally identifiable information (*e.g.*, names and Social Security numbers).

4. As a result of the Security Incident, this Action was initiated. On November 15, 2024, Plaintiffs filed their Consolidated Class Action Complaint (“Complaint”) in the United States District Court of the District of Rhode Island, alleging: (1) negligence and negligence *per se*; (2) breach of implied contract; (3) invasion of privacy, intrusion upon seclusion; and (4) unjust enrichment/quasi contract. On April 30, 2025, the Court dismissed Plaintiffs’ privacy and unjust enrichment claims. Defendant denies all liability and wrongdoing and denies that the case could be certified absent settlement.

5. The Parties met and conferred on several occasions to discuss the merits of the claims and on August 7, 2025, the Parties reached an agreement in principle on the material terms of a proposed class action settlement.

6. The agreement was reached through arms’-length negotiation and advocacy by counsel on behalf of the Parties.

7. The parties did not negotiate attorneys’ fees or a service award until after they had agreed on benefits for the Settlement Class.

8. On August 7, 2025, the Parties signed a Confidential Settlement Term Sheet in which they agreed to certain principal terms for purposes of reaching a settlement in this case. Over the following weeks, the Parties diligently drafted, negotiated, and finalized the Settlement Agreement, Notices, and Claim Form, and agreed to a settlement administrator.

9. Eventually, on December 11, 2025, the Parties executed the Settlement Agreement. Thereafter, on December 30, 2025, Plaintiffs filed their unopposed Motion for Preliminary Approval. The Court granted Preliminary Approval of the Settlement on January 5, 2026.

10. The Settlement calls for Defendant to establish a non-reversionary all-cash \$454,200.00 Settlement Fund to settle this Action, which will be used to pay (a) Notice and Administrative Expenses and costs; (b) Fee Award and Expenses, as approved and awarded by the Court; (c) Service Awards, as approved and awarded by the Court; (d) Cash Payments to Settlement Class Members; (e) Credit Monitoring services to Settlement Class Members; and (f) transfer of the Remainder Funds to Cy Pres following the preceding payments.

11. Settlement Class Members may elect one of two cash payment options: (1) Cash Payment Option A, a payment for reasonable and documented losses up to \$1,000.00; or (2) Cash Payment Option B, in an amount of \$50.00, with third-party documentation and a sworn affidavit attesting to the losses. Both payments are subject to *pro rata* adjustment.

12. In addition to Cash Payment A or Cash Payment B, Settlement Class Members may also make a Claim for up to three years of Credit Monitoring from CyEx Identity Defense Complete.

13. The Releases in the Agreement are properly tailored to the claims related to the Data Incident.

14. The Settlement was reached in the absence of fraud or collusion and is the result of good faith, informed, and arm's-length negotiations between experienced attorneys who are familiar with class action litigation and with the legal and factual issues at stake. Additionally, there are no agreements among the Settling Parties or their counsel apart from the Settlement Agreement.

15. Although Plaintiffs believe the claims asserted in this Action are meritorious and the Settlement Class would ultimately prevail at trial, continued litigation poses significant risks that make any recovery for the Settlement Class uncertain. Defendant has compelling defenses.

16. Plaintiffs approve of the Settlement's terms, as do Settlement Class Counsel, based on their experience litigating data privacy class actions and other complex litigation. The Settlement's fairness is underscored by consideration of the obstacles that the Settlement Class would face in ultimately succeeding on the merits, as well as the expense and likely duration of the litigation.

17. The litigation risks cannot be disregarded. Besides the risk of losing at trial, Plaintiffs anticipate substantial additional costs if litigation continues, including experts witness fees and discovery. Plaintiffs would need to defeat a motion for summary judgement and both gain and maintain certification of the Settlement Class. To date, to Settlement Class Counsel's knowledge, no data breach class action has been tried.

18. Despite the risks involved with further litigation, the Settlement provides benefits, including Cash Payments and Credit Monitoring, for all Settlement Class Members. While the Parties would be litigating the foregoing issues, potentially for years to come, Settlement Class members would not have received the benefits afforded by the Settlement, including the protection of medical data monitoring offered by the Settlement.

19. The Settlement provides the Settlement Class monetary and nonmonetary benefits. The Settlement Class Member Benefits provided under the Agreement are consistent with, and in fact exceed those in other approved settlements, including in data privacy class actions.

20. The Settlement does not improperly discriminate between any segments of the Settlement Class.

21. Settlement Class Counsel worked closely with the Settlement Administrator to effectuate the terms of the Settlement and Notice Program, consistent with the Preliminary Approval Order.

22. The Notice Program was implemented in compliance with the Agreement and the Preliminary Approval Order, and the Claim Process is ongoing. The Notice Program was designed to satisfy Federal Rule of Civil Procedure 23(c)(2)(B), the Manual for Complex Litigation, and due process.

23. The Claim Process and distribution of Settlement Class Member Benefits is fair, convenient, and effective. The Claim Process was structured to give all Settlement Class members adequate time to review the Settlement terms, submit their Claims, and decide whether to opt-out of or object to the Settlement.

24. Claim Forms (submitted by mail or online) are due to the Settlement Administrator by the Claim Form Deadline, which is April 6, 2026². The Claim Form is in plain language for easy completion, and the overall process is straightforward.

² Defendant disagrees with the Claim Form Deadline challenging that pursuant to this Court's order granting Preliminary Approval of Class Action Settlement the Claim Form Deadline is April 5, 2026. (ECF No. 27). However, pursuant to Rule 6 of Federal Rules of Civil Procedure, a deadline that falls on a Saturday, Sunday, or legal holiday is moved to the next day that is not a Saturday, Sunday, or legal holiday. Furthermore, the Settlement Website, which Defendant approved the substance of, lists the Claims Deadline as April 6, 2026. Moreover, the Claims

25. Settlement Class Members who submit timely and valid claims will promptly receive Cash Payments by electronic means or paper check issued by the Settlement Administrator. Those Settlement Class Members who timely and validly elect Credit Monitoring will receive emails with account activation codes.

26. Although the Parties entered into a Settlement relatively early in litigation, the Settlement negotiations were hard-fought, and the Parties expended significant time and energy on this Action. This Action has been thoroughly investigated by counsel experienced in data privacy and class action litigation. Moreover, Settlement Class Counsel's good-faith negotiations has ensured a fair, reasonable, and adequate Settlement.

27. It is Settlement Class Counsel's opinion, based on the experience detailed below, that the Settlement is a fair, reasonable, and adequate resolution of Plaintiffs' and the Settlement Class's claims.

28. Plaintiffs were appointed as Settlement Class Representatives in the Preliminary Approval Order. The Settlement calls for reasonable Service Awards for the Class Representatives of up to \$2,500.00 each. The Service Awards are intended to compensate Class Representatives for their efforts on the Settlement Class's behalf, including serving as named Plaintiffs, assisting in the Action's investigation, maintaining contact with Settlement Class Counsel, reviewing case documents, and answering Settlement Class Counsel's questions.

29. Settlement Class Representatives have ably represented the Settlement Class and have been instrumental in assisting Settlement Class Counsel throughout this proceeding. Settlement Class Representatives initiated and remained in contact with Settlement Class Counsel;

Deadline is the date by which claim forms must be postmarked. S.A. ¶ 18. Plaintiffs position is that it is unreasonable to have a "postmarked by" deadline fall on a day the post office is closed.

assisted in the investigation of the Action; reviewed and approved the pleadings in this case and the Agreement; supervised and monitored Settlement Class Counsel, remaining available for consultation throughout the negotiation process; and provided background documents and followed the progress of this litigation to ensure the Settlement Class received the best recovery possible given the particular circumstances and risks of the Action. The information they provided Settlement Class Counsel was critical in determining the legal claims to be asserted. Settlement Class Representatives are committed to continuing to assist Settlement Class Counsel through and following Final Approval.

30. All Settlement Class members and the Settlement Class Representatives are potentially affected by the same Data Incident and thus have common interests. Settlement Class Representatives have the same interest in the Settlement relief.

31. After agreeing to the Settlement's material terms, Settlement Class Counsel negotiated attorneys' fees and costs as part of the total Settlement Class Member Benefits. Class Counsel seek a \$151,400.00 attorneys' fees and costs award (one-third of the Settlement Fund) under the First Circuit's percentage-of-the-fund method. The forms of Notice advised the Settlement Class of these intended requests. The Parties negotiated Plaintiffs' Service Award and an award of Attorneys' Fees and costs separately from the Benefits and Cash Payments described above.

32. As the Court considered at the Preliminary Approval Stage, Settlement Class Counsel are qualified and have experience litigating complex consumer class actions, including in the data privacy context. *See* Class Counsel resumes attached as Exhibits 1–3 to the declaration in support of preliminary approval. This experience proved beneficial to Plaintiffs and the Settlement Class during Settlement negotiations.

33. Settlement Class Counsel have pursued the Settlement Class's interests in securing a Settlement bringing benefits, while avoiding the risks of continued litigation. To do so, Settlement Class Counsel relied on their experience in data breach litigation and their detailed investigation of this particular Action to assess the strengths and weaknesses of their positions. Thereafter, the Parties spent weeks negotiating, drafting, and finalizing the finer points of the Settlement in the Agreement.

34. Settlement Class Counsel have not been paid for their extensive efforts in securing the Settlement for the Settlement Class or reimbursed for litigation costs advanced or incurred. Settlement Class Counsel took this case on a contingency basis unaware if they would get paid for their attorneys' fees or costs advanced. Settlement Class Counsel assumed the risk of this engagement and worked diligently and efficiently to obtain a substantial result.

35. The retention agreements with Plaintiffs in this Action were contingent fee agreements. No payment of attorneys' fees would occur in this case but for an attorneys' fee award in an individual or class settlement. Settlement Class Counsel took on this case with no guarantee they would receive any compensation for their work, which occupied significant resources at Settlement Class Counsel's respective firms even before this Action was filed. There was a risk of nonpayment or underpayment for Settlement Class Counsel's time, with Settlement Class Counsel foregoing the opportunity to work on other fee-generating cases, all at the substantial risk it would yield no (or very little) recovery and leave them uncompensated for their time and out-of-pocket costs.

36. Settlement Class Counsel remains completely uncompensated for the time invested in the Action, in addition to the substantial costs they have advanced.

37. Considering Defendant has compelling defenses, continuing to pursue this Action posed a significant risk for Plaintiffs and the Settlement Class, and makes litigating data breach cases less desirable in general. Moreover, Defendant is represented by experienced counsel who are highly competent adversaries from well-respected law firms.

38. Each of the above-described efforts was essential to achieving the Settlement. Settlement Class Counsel's time and resources devoted to prosecuting and settling this Action justifies the requested attorneys' fee.

39. Prosecuting and settling these claims demanded considerable time and labor, making this attorneys' fee request reasonable. Settlement Class Counsel's organization ensured the work was coordinated to maximize efficiency and minimize duplication of effort. Substantial time and resources were also dedicated to investigating the facts and interviewing potential plaintiffs, researching and developing the legal claims at issue, and consolidating and organizing the Related Actions. Significant time was then devoted to negotiating and drafting that Agreement, the Preliminary Approval process, and to all actions required thereafter pursuant to the Preliminary Approval Order. Settlement Class Counsel has spent substantial time leading up to the filing of this Motion for Final Approval, addressing the Notice Program and Claim Process, and preparing the Motion for Final Approval. Time will also be spent preparing for and attending the Final Approval Hearing. Finally, Settlement Class Counsel will devote substantial time to Settlement Administration, should Final Approval be granted, to ensure Valid Claims are paid and the Settlement is fully implemented. Each of those efforts is and was essential to achieving the Settlement. Should the Court require additional information concerning Settlement Class Counsel's lodestar, it will be provided for in camera inspection.

40. The total lodestar of the law firms that worked on this Action, through March 30, 2026, is \$152,955.00 broken down by firm as follows:

- a. Stranch, Jennings & Garvey, PLLC - \$51,693.00
- b. Ellzey Kherkher Sanford Montgomery, LLP - \$48,599.50
- c. Shamis & Gentile, P.A. - \$ 49,412.50
- d. Marin Barrett & Murphy - \$3,250.00

41. Settlement Class Counsel's request for \$151,400.00 in attorneys' fees and costs, or one-third of the Settlement Fund, results in a multiplier of approximately 0.99.

42. In total, Plaintiffs' counsel spent 191.50 hours on this Action, including the work of attorneys, paralegals, and law clerks, as further explained below. The total hours do not include an estimated 50 hours that Settlement Class Counsel will spend in preparing for and attending the Final Approval Hearing, assisting the Settlement Administrator following Final Approval, and handling all post-Settlement approval issues. These additional hours will result in an even lower multiplier.

43. The hourly rates for the attorneys and support staff who worked on this Action are as follows:

Stranch, Jennings & Garvey, PLLC

- Grayson Wells (Partner - 6 years, with prior relevant engineering experience) - \$1,000.00
- J. Gerard Stranch, IV (Managing Partner - 23 years) - \$1,525.00

Ellzey Kherkher Sanford Montgomery, LLP

- Leigh S. Montgomery (Partner - 18 years) - \$950.00
- Josh Sanford (Partner - 25 years) - \$1,000.00
- Steve Rauls (Associate – 15 years) - \$650.00

- Vanessa Kinney (Associate - 19 years) - \$650.00
- Raya Jacob (Paralegal - 8 years) - \$125.00
- Alice Newlin (Paralegal - 20 years) - \$160.00

Shamis & Gentile, P.A.

- Leanna A. Loginov (Partner – 4 years) - \$850.00
- Tonyia J. Johnson (Associate – 2 years) - \$750.00
- Catherine Rosario (Paralegal – 18 years) - \$250.00

Marin Barrett & Murphy

- Kensley R. Barrett (Partner – 14 years) - \$500.00

44. These hourly rates are within the range of hourly rates that have been approved by Rhode Island courts and elsewhere in the United States for legal services in class actions of a similar nature, considering the type of matter, level of experience, training, and education. Courts around the country have approved these rates.

45. Additionally, Settlement Class Counsel has incurred \$2,464.22 in litigation costs, comprised of actual out-of-pocket costs that Class Counsel and other Plaintiffs’ counsel reasonably and necessarily incurred and paid in connection with the prosecution of the Action and the Settlement, including filing fees, service of process fees, research fees, and *pro hac vice* applications. A summary of the costs is below:

Category	Amount
Filing, Service, and Pro Hac Vice Fees	\$2,363.97
Research	\$100.25
Total	\$2,464.22

DECLARATION OF CAMERON R. AZARI, ESQ. REGARDING
IMPLEMENTATION AND ADEQUACY OF NOTICE PROGRAM

RELEVANT EXPERIENCE

5. I have served as a notice expert and have been recognized and appointed by courts to design and provide notice in many significant cases, including:

a) *Rodriguez, et al. v. Google LLC* 20-cv-04688 (N.D. Cal.), is a landmark privacy lawsuit for which Epiq implemented an extensive notice program with one of the largest, if not the largest email campaign ever for a class action lawsuit, sending more than 369 million email notices. The email notices were successfully delivered to approximately 93.1% of the class who were sent an email notice. The reach of the individual notice effort was enhanced by a media plan that included digital and social media notice that generated over 178 million impressions, sponsored search listings, and a case website. Overall, the Class Notice Plan reached well in excess of 85% of the Class.

b) *In re Juul Labs, Inc. Marketing, Sales Practices, and Products Liability Litigation* 19-md-02913 (N.D. Cal.), involved two settlements totaling \$300 million for JUUL Labs, Inc. and Altria, which alleged consumers were misled about JUUL products' addictiveness and safety, causing them to pay more, and that JUUL products were unlawfully marketed to minors. Two companion notice programs were implemented with more than 10.7 million email notices and nearly 500,000 postcard notices sent to potential class members and comprehensive media efforts (over 936 million impressions delivered). The notice programs each reached approximately 80% of the class nationwide.

c) *In Re: Zoom Video Communications, Inc. Privacy Litigation*, 3:20-cv-02155 (N.D. Cal.), involved an extensive notice plan for a \$85 million privacy settlement involving Zoom, the most popular videoconferencing platform. Notice was sent to more than 158 million class members by email or mail, and millions of reminder notices were sent to stimulate claim filings. The individual notice efforts reached approximately 91% of the class. A supplemental media campaign provided notice via regional newspaper notice, nationally distributed digital and social media notice (delivering more than 280 million impressions), sponsored search, an informational release, and a settlement website.

d) *In re Takata Airbag Products Liability Litigation*, MDL No. 2599, 1:15-md-02599 (S.D. Fla.), involved \$1.91 billion in settlements with BMW, Mazda, Subaru, Toyota, Honda, Nissan, Ford, and Volkswagen regarding Takata airbags. The notice programs included individual mailed notice to more than 61.8 million potential class members and extensive nationwide media via consumer publications, U.S. Territory newspapers, radio, digital notices, mobile digital notices, and behaviorally targeted digital media. Combined, the notice programs reached more than 95% of adults aged 18+ in the U.S. who owned or leased a subject vehicle, with a frequency of 4.0 times each.

e) *In Re: Capital One Consumer Data Security Breach Litigation*, MDL No. 2915, 1:19-md-02915 (E.D. Va.), involved an extensive notice program for a \$190 million data breach settlement. Notice was sent to more than 93.6 million settlement class members by email or mail. The individual notice efforts reached approximately 96% of the identified settlement class members and were enhanced by a supplemental media plan that included digital and social media notices (delivering more than 123.4 million impressions), sponsored search, and a settlement website.

f) *In re: Disposable Contact Lens Antitrust Litigation*, 3:15-md-02626 (M.D. Fla.), involved several notice programs to notify retail purchasers of disposable contact lenses for four separate settlements totaling \$88 million. For each notice program more than 1.98 million email or postcard notices were sent to potential class members and a comprehensive media plan was implemented, with a well-read nationwide consumer publication, internet digital notices (delivering more than 312.9 million – 461.4 million impressions per campaign), sponsored search listings, and a case website.

g) *In re U.S. Office of Personnel Management Data Security Breach Litigation* MDL No. 2664, 15-cv-01394 (D.D.C.), involved a \$63 million settlement for compromised personal information of then-current and former federal government employees and contractors, and certain applicants for federal employment. An extensive nationwide media notice campaign was implemented using magazines, digital and social media notices (delivering more than 758 million impressions), traditional and satellite radio, and other forms of media. The media notice reached

at least 85% of the class. In addition, more than 3.5 million email notices and/or postcard notices were sent to identified class members. The notice program was supplemented with outreach to unions and associations, sponsored search listings, an informational release, and a settlement website.

h) *In re: fairlife Milk Products Marketing and Sales Practices Litigation*, 1:19-cv-03924 (N.D. Ill.), involved a \$21 million settlement against The Coca-Cola Company, fairlife, LLC, and other defendants alleging false labeling and marketing of fairlife milk products. A comprehensive media plan was implemented with a consumer print publication notice, targeted digital and social media notices (delivering more than 620.1 million impressions in English and Spanish nationwide). Combined with individual notice to a small percentage of the class, the notice plan reached approximately 80.2% of the class. The reach was further enhanced by sponsored search, an informational release, and a website.

i) *In re: Payment Card Interchange Fee and Merchant Discount Antitrust Litigation*, MDL No. 1720 (E.D.N.Y.). Second Circuit affirmed. *See Fikes Wholesale, Inc. v. Visa U.S.A., Inc.* 62 F.4th 704 (2d Cir. 2023). The case involved a \$5.5 billion settlement reached by Visa and MasterCard. An intensive initial notice program included more than 19.8 million direct mail notices sent to potential class members, together with insertions in over 1,500 newspapers, consumer magazines, national business publications, trade and specialty publications, with notices in multiple languages, and a digital notice campaign (delivering more than 770 million adult impressions). Sponsored search listings and a settlement website in eight languages expanded the notice program. For the subsequent settlement reached by Visa and MasterCard, an extensive notice program was implemented, which included over 16.3 million direct mail notices to class members together with more than 354 print publication insertions and digital notices (delivering more than 689 million adult impressions).

j) *In re: Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010*, MDL No. 2179 (E.D. La.), involved landmark settlement notice programs to distinct "Economic and Property Damages" and "Medical Benefits" settlement classes for BP's \$7.8

billion settlement of claims related to the Deepwater Horizon oil spill. Notice efforts included more than 7,900 television spots, 5,200 radio spots, and 5,400 print insertions and reached over 95% of Gulf Coast residents.

6. I have served as a notice expert and have been recognized and appointed by courts to design and provide notice in numerous data breach and privacy settlements, including:

7. Courts have recognized our testimony as to which method of notification is appropriate for a given case, and I have provided testimony on numerous occasions on whether a certain method of notice represents the best notice practicable under the circumstances. Numerous court opinions and comments regarding my testimony, and the adequacy of our notice efforts, are included in the Epiq Legal Noticing *curriculum vitae* included as **Attachment 1**.

8. In forming expert opinions, my staff and I draw from our in-depth class action case experience, as well as our educational and related work experiences. I am an active member of the Oregon State Bar, having received my Bachelor of Science from Willamette University and my Juris Doctor from Northwestern School of Law at Lewis and Clark College. I have served as the Director of Legal Notice for Epiq since 2008 and have overseen the detailed planning of virtually all of our court-approved notice programs during that time. Overall, I have more than 25 years of experience in the design and implementation of legal notification and claims administration programs, having been personally involved in well over one hundred successful notice programs.

9. The facts in this declaration are based on my personal knowledge, as well as information provided to me by my colleagues in the ordinary course of my business at Epiq and Epiq Legal Noticing (hereinafter “Epiq”).

OVERVIEW

10. This declaration describes the successful implementation of the Settlement Notice Program (“Notice Program”) and notices (the “Notice” or “Notices”) for *Springer v. Johnson & Wales University*, Case No. 1:24-cv-00399, pending in the United States District Court for the District of Rhode Island. Epiq designed this Notice Program based on our extensive prior experience and research into the notice issues particular to this Settlement. The Notice Program as designed and implemented was the best notice practicable under the circumstances to provide notice to the Settlement Class.

DATA PRIVACY AND SECURITY

11. Epiq has procedures in place to protect the security of data for the Settlement Class. As with all cases, Epiq maintains extensive data security and privacy safeguards in its official

capacity as the Settlement Administrator for this Litigation. A Service Agreement, which formally retains Epiq as the Settlement Administrator, governs Epiq's Settlement Administration responsibilities for the Litigation. Epiq maintains adequate insurance in case of errors.

12. With respect to the data it receives, collects, and otherwise hosts, Epiq serves as a data processor and acts only at the direction of the designated data controller or of the Court, as described in applicable contracts, statements of work, and/or Court documents and Orders. Epiq does not utilize or perform other procedures on personal data provided or obtained as part of services as Settlement Administrator. Epiq does not use any information provided by Settlement Class Members for any other purpose than the administration of this Litigation. Specifically, Settlement Class Member information is not used, disseminated, or disclosed by or to any other person for any other purpose unrelated to the administration of this Litigation.

13. The security and privacy of clients' and class members' information and data are paramount to Epiq. That is why Epiq has invested in a layered and robust set of trusted security personnel, controls, and technology to protect the data we handle. To promote a secure environment for client and class member data, industry leading firewalls and intrusion prevention systems protect and monitor Epiq's network perimeter with regular vulnerability scans and penetration tests. Epiq deploys best-in-class endpoint detection, response, and anti-virus solutions on our endpoints and servers. Strong authentication mechanisms and multi-factor authentication are required for access to Epiq's systems and the data we protect. In addition, Epiq has employed the use of behavior and signature-based analytics as well as monitoring tools across our entire network, which are managed 24 hours per day, 7 days per week, by a team of experienced professionals.

14. Epiq's world class data centers are defended by multi-layered, physical access security, including formal ID and prior approval before access is granted, closed-circuit television ("CCTV"), alarms, biometric devices, and security guards, 24 hours per day, 7 days per week. Epiq manages minimum Tier 3+ data centers in 18 locations worldwide. Our centers have robust environmental controls including uninterruptable power supply ("UPS"), fire detection and suppression controls, flood protection, and cooling systems.

15. Beyond Epiq’s technology, our people play a vital role in protecting class members’ and our clients’ information. Epiq has a dedicated information security team comprised of highly trained, experienced, and qualified security professionals. Our teams stay on top of important security issues and retain important industry standard certifications, like SysAdmin, Audit, Network, and Security (“SANS”), Certified Information Systems Security Professional (“CISSP”), and Certified Information Systems Auditor (“CISA”). Epiq is continually improving security infrastructure and processes based on an ever-changing digital landscape. Epiq also partners with best-in-class security service providers. Our robust policies and processes cover all aspects of information security to form part of an industry leading security and compliance program, which is regularly assessed by independent third parties.

16. Epiq holds several industry certifications including: Trusted Information Security Assessment Exchange (“TISAX”), Cyber Essentials, Privacy Shield, and ISO 27001. In addition to retaining these certifications, we are aligned to Health Insurance Portability and Accountability Act (“HIPAA”), National Institute of Standards and Technology (“NIST”), and Federal Information Security Management Act (“FISMA”) frameworks. Epiq follows local, national, and international privacy regulations. To support our business and staff, Epiq has a dedicated team to facilitate and monitor compliance with privacy policies. Epiq is also committed to a culture of security mindfulness. All employees routinely undergo cybersecurity trainings to ensure that safeguarding information and cybersecurity vigilance is a core practice in all aspects of the work our teams complete.

17. Upon completion of a project, Epiq continues to host all data until otherwise instructed in writing by a customer to delete, archive or return such data. When a customer requests that Epiq delete or destroy all data, Epiq agrees to delete or destroy all such data; provided, however, that Epiq may retain data as required by applicable law, rule or regulation, and to the extent such copies are electronically stored in accordance with Epiq’s record retention or back-up policies or procedures (including those regarding electronic communications) then in effect. Epiq keeps data in line with client retention requirements. If no retention period is specified, Epiq returns the data to the client or securely deletes it as appropriate.

NOTICE PROGRAM SUMMARY

18. Federal Rule of Civil Procedure, Rule 23 directs that notice must be “the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort. The notice may be by one or more of the following: United States mail, electronic means, or other appropriate means.”¹ The Notice Program satisfied these requirements.

19. The Notice Program as designed and implemented reached the greatest practicable number of Settlement Class Members. With the address updating protocols that were used, the Notice Program individual notice efforts via mail to identified Settlement Class Members reached approximately 99.5% of the identified Settlement Class. The reach was further enhanced by a Settlement Website. In my experience, the Notice Program was consistent with other court-approved notice programs, was the best notice practicable under the circumstances, and satisfied the requirements of due process, including its “desire to actually inform” requirement.²

CAFA NOTICE

20. On January 9, 2026, Epiq sent 57 CAFA Notice Packages (“CAFA Notice”), as required by the Federal Class Action Fairness Act of 2005 (CAFA), 28 U.S.C. § 1715. The CAFA Notice was mailed via United States Postal Service (“USPS”) Priority Mail to 53 officials, which included the Attorneys General of 47 states, the District of Columbia, and the United States Territories. Per the direction of the Offices of the Nevada, New York, and Connecticut Attorneys General, the CAFA Notice was sent to the Nevada, New York, and Connecticut Attorneys General electronically via email. The CAFA Notice was also sent via United Parcel Service (“UPS”) to the Attorney General of the United States. Details regarding the CAFA Notice mailing are

¹ Fed. R. Civ. P. 23(c)(2)(B).

² *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 315 (1950) (“But when notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it. The reasonableness and hence the constitutional validity of any chosen method may be defended on the ground that it is in itself reasonably certain to inform those affected . . .”).

provided in the *Declaration of Kyle S. Bingham on Implementation of CAFA Notice*, dated January 9, 2026, which is included as **Attachment 2**.

NOTICE PROGRAM DETAIL

21. On January 5, 2026, the Court approved the Notice Program and appointed Epiq as the Settlement Administrator in the *Order Granting Preliminary Approval of Class Action Settlement* (“Preliminary Approval Order”). In the Preliminary Approval Order, the Court approved, for settlement purposes only, the following “Settlement Class”:

All persons on the list of persons to whom Johnson & Wales University arrange to have sent a notice of the “Security Incident,” [i.e., the security incident identified in the letter dated September 19, 2024, sent to Plaintiffs and the subject of the Amended Complaint], excluding those persons identified as being excluded in the Amended Complaint.

Excluded from the Settlement Class are Defendant and Defendant’s parents, subsidiaries, affiliates, officers and directors, and any entity in which Defendant has a controlling interest; all individuals who make a timely election to be excluded from this proceeding using the correct protocol for opting out; and all judges assigned to hear any aspect of this litigation, as well as their immediate family members.

Security Incident means the unauthorized access by a third-party criminal actor of JWU’s network discovered in July 2024.

22. After the Court’s Preliminary Approval Order was entered, Epiq implemented the Notice Program. This declaration details the notice activities undertaken to date and explains how and why the Notice Program was comprehensive and well-suited to reach the Settlement Class. This declaration also discusses the administration activity to date.

NOTICE PROGRAM

Individual Notice

23. On December 11, 2025, Epiq received one data file with 22,702 identified Settlement Class Member records, which included names and physical mailing addresses (if available) (“Class List”). Epiq deduplicated and rolled-up the records and loaded the unique, identified Settlement Class Member records into its database for this Settlement. Subsequently,

on December 15, 2026, Epiq received an additional data file containing 17 identified Settlement Class Member records of certain administrative staff, which included names and email addresses, and which were notified directly by defense counsel. At the direction of Defense Counsel, Epiq loaded these records into the database for this Settlement. These efforts resulted in 22,681 unique, identified Settlement Class Member records (including the 17 records referenced above where Notice was handled by Defense Counsel).

Individual Notice – Direct Mail

24. On February 4, 2026, Epiq commenced sending 22,664 double postcard notices with a detachable Claim Form (“Postcard Notice”) to identified Settlement Class Members for whom an associated physical mailing address was available. The Postcard Notice was sent via USPS first-class mail. The Postcard Notice clearly and concisely described the Settlement and the legal rights of the Settlement Class Members. In addition, the Postcard Notice also directed the recipients to the Settlement Website where they could access the Long Form Notice and additional information about the Settlement. The Postcard Notice is included as **Attachment 3**.

25. Prior to sending the Postcard Notice, all mailing addresses were checked against the National Change of Address (“NCOA”) database maintained by the USPS to ensure all address information was up-to-date and accurately formatted for mailing.³ In addition, the addresses were certified via the Coding Accuracy Support System (“CASS”) to ensure the quality of the zip code and verified through Delivery Point Validation (“DPV”) to verify the accuracy of the addresses. This address updating process is standard for the industry and for the majority of promotional mailings that occur today.

³ The NCOA database is maintained by the USPS and consists of approximately 160 million permanent change-of-address (COA) records consisting of names and addresses of individuals, families, and businesses who have filed a change-of-address with the Postal Service™. The address information is maintained on the database for 48 months and reduces undeliverable mail by providing the most current address information, including standardized and delivery-point-coded addresses, for matches made to the NCOA file for individual, family, and business moves.

26. The return address on the Postcard Notices is a post office box that Epiq maintains for this Settlement. The USPS automatically forwarded Postcard Notices with an available forwarding address order that has not expired (“Postal Forwards”). Postcard Notices returned as undeliverable were re-mailed to any new address available through USPS information, (for example, to the address provided by the USPS on returned mail pieces for which the automatic forwarding order had expired but was still within the time period in which the USPS returned the piece with the address indicated), or to better addresses that were found using a third-party address lookup service. Upon successfully locating better addresses, Postcard Notices were promptly remailed. As of March 25, 2026, Epiq has remailed 114 Postcard Notices.

27. Additionally, a Long Form Notice and Claim Form (“Claim Package”) were mailed to all persons who requested one via the toll-free telephone number or other means. As of March 25, 2026, Epiq mailed one Claim Packages as a result of such requests. The Long Form Notice is included as **Attachment 4**. The Claim Form is included as **Attachment 5**.

Notice Results

28. As of March 25, 2026, a Postcard Notice was delivered to 22,633 of the 22,681 unique, identified Settlement Class Members. This means the individual notice effort reached approximately 99% of the identified Settlement Class.

Settlement Website

29. On February 3, 2026, Epiq established a dedicated website for the Settlement with an easy to remember domain name (www.JWUSecurityIncident.com). Relevant documents, including the Consolidated Class Action Complaint, Settlement Agreement, Motion for Preliminary Approval, Preliminary Approval Order, Long Form Notice, and Claim Form are posted on the Settlement Website. In addition, the Settlement Website includes relevant dates, answers to frequently asked questions (“FAQs”), instructions for how Settlement Class Members may opt-out (request exclusion) from or object to the Settlement, contact information for the Settlement Administrator, and how to obtain other case-related information. Settlement Class Members are also

able to submit a Claim Form on the Settlement Website. The Settlement Website address was prominently displayed in all notice documents. As of March 25, 2026, there have been 1,031 unique visitor sessions to the Settlement Website, and 3,093 web pages have been presented.

Toll-Free Telephone Number and Other Contact Information

30. On February 3, 2026, a toll-free telephone number (1-877-745-7766) was established for the Settlement. Callers are able to hear an introductory message, have the option to learn more about the Settlement in the form of recorded answers to FAQs, and request that a Claim Package be mailed to them. This automated telephone system is available 24 hours per day, 7 days per week. Callers also have the option to request a callback from a live operator during regular business hours. The toll-free telephone number was prominently displayed in all notice documents. As of March 25, 2026, there have been 58 calls to the toll-free telephone number representing 330 minutes of use, and service agents have handled 40 incoming calls representing 247 minutes of use, and 5 outbound calls representing 14 minutes of use.

31. A postal mailing address was established and continues to be available to allow Settlement Class Members the opportunity to request additional information or ask questions.

Requests to Opt-Out and Objections

32. The Opt-Out Deadline and Objection Deadline for the Settlement is April 6, 2026. As of March 25, 2026, Epiq has received one opt-out request. As of March 25, 2026, Epiq is aware of no objections to the Settlement.

Claim Submission & Distribution Options

33. The Notices provided a detailed summary of the relevant information about the Settlement, including the Settlement Website address and how Settlement Class Members can submit a Claim Form online or by mail. Settlement Class Members are given the option of receiving a digital payment or a traditional paper check. Epiq worked with counsel for the parties to select an appropriate menu of payment options. The type of digital payment selected does not

impact Epiq’s compensation for its work as the Settlement Administrator, and no digital option is discouraged relative to other options.

34. The deadline for Settlement Class Members to file a Claim Form is April 6, 2026. As of March 25, 2026, Epiq has received 1,155 Claim Forms (424 online and 731 paper). Since the April 6, 2026, deadline has not yet passed, these numbers are preliminary and subject to change. As standard practice, Epiq is in the process of conducting a complete quality control review of Claim Forms received. There is a likelihood that after detailed review, the total number of Claim Forms received will change due to duplicate and denied Claim Forms.

PLAIN LANGUAGE NOTICE AND CLAIM FORM DESIGN

35. The Notices were designed to be “noticed,” reviewed, and—by presenting the information in plain language—understood by Settlement Class Members. The design of the Notices followed the principles embodied in the Federal Judicial Center’s (“FJC”) illustrative “model” notices posted at www.fjc.gov. Many courts, and the FJC itself, have approved notices that Epiq’s noticing experts have written and designed in a similar fashion. The Notices contained substantial, albeit easy-to-read, summaries of all of the key information about Settlement Class Members’ rights and options. Consistent with our normal practice, all notice documents underwent a final edit for grammatical errors and accuracy.

36. The Notices mailed to all identified Settlement Class Members provided substantial information to the Settlement Class. The Notices included (i) details regarding the Settlement Class Members’ ability to opt-out or object to the Settlement Agreement, (ii) the deadline to opt-out or object, and (iii) the date, time, and location of the Final Approval Hearing, among other information.

CONCLUSION

37. In class action notice planning, execution, and analysis, we are guided by due process considerations under the United States Constitution, by federal and local rules and statutes,

and further by case law pertaining to notice. This framework directs that the notice plan be designed to reach the greatest practicable number of potential class members and, in a settlement class action notice situation such as this, that the notice or notice plan itself not limit knowledge of the availability of benefits—nor the ability to exercise other options—to class members in any way. All of these requirements were met in this case.

38. The Notice Program included individual notice via mail to identified Settlement Class Members. With the address updating protocols that were used, the Notice Program individual notice efforts reached approximately 99% of the identified Settlement Class. The reach was further enhanced by a Settlement Website. In 2010, the FJC issued a *Judges' Class Action Notice and Claims Process Checklist and Plain Language Guide*, which is relied upon for federal cases, and is illustrative for state courts. This guide states that, “the lynchpin in an objective determination of the adequacy of a proposed notice effort is whether all the notice efforts together will reach a high percentage of the class. It is reasonable to reach between 70–95%.”⁴ Here, we have developed and implemented a Notice Program that readily achieved a reach beyond the high end of that standard.

39. The Notice Program followed the guidance for satisfying due process obligations that a notice expert gleans from the United States Supreme Court’s seminal decisions, which emphasize the need: (a) to endeavor to actually inform the Settlement Class, and (b) to ensure that notice is reasonably calculated to do so:

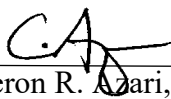

- a) “[W]hen notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it,” *Mullane v. Central Hanover Trust*, 339 U.S. 306, 315 (1950); and
- b) “[N]otice must be reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections,” *Eisen v. Carlisle & Jacquelin*, 417 U.S. 156 (1974) (citing *Mullane*, 339 U.S. at 314).

⁴ FED. JUDICIAL CTR, JUDGES’ CLASS ACTION NOTICE AND CLAIMS PROCESS CHECKLIST AND PLAIN LANGUAGE GUIDE 3 (2010), available at <https://www.fjc.gov/content/judges-class-action-notice-and-claims-process-checklist-and-plain-language-guide-0>.

40. The Notice Program as implemented provided the best notice practicable under the circumstances of this case, conformed to all aspects of Federal Rule of Civil Procedure 23 regarding notice, comported with the guidance for effective notice articulated in the Manual for Complex Litigation Fourth and applicable FJC materials, and satisfied the requirements of due process, including its “desire to actually inform” requirement.

41. The Notice Program schedule afforded sufficient time to provide full and proper notice to Settlement Class Members before the Opt-Out Deadline and Objection Deadline.

I declare under penalty of perjury that the foregoing is true and correct. Executed March 25, 2026.

The Court directed that Class Notice be given to the Class Members pursuant to the notice program proposed by the Parties and approved by the Court. In accordance with the Court’s Preliminary Approval Order and the Court-approved notice program, the Settlement Administrator caused the forms of Class Notice to be disseminated as ordered. The Long-form Class Notice advised Class Members of the terms of the Settlement Agreement; the Final Approval Hearing, and their right to appear at such hearing; their rights to remain in, or opt out of, the Settlement Class and to object to the Settlement Agreement; procedures for exercising such rights; and the binding effect of this Order and accompanying Final Judgment, whether favorable or unfavorable, to the Settlement Class.

The distribution of the Class Notice pursuant to the Class Notice Program constituted the best notice practicable under the circumstances, and fully satisfies the requirements of Federal Rule of Civil Procedure 23, the requirements of due process, 28 U.S.C. § 1715, and any other applicable law.

Judge Otis D. Wright, II, Silveira v. M&T Bank (Oct. 12, 2021) 2:19-cv-06958 (C.D. Cal.):

Notice was sent to potential class members pursuant to the Settlement Agreement and the method approved by the Court. The Class Notice consisted of direct notice via USPS first class mail, as well as a Settlement Website where Class Members could view and request to be sent the Long Form Notice. The Class Notice adequately described the litigation and the scope of the involved class. Further, the Class Notice explained the amount of the Settlement Fund, the plan of allocation, that Plaintiff’s counsel and Plaintiff will apply for attorneys’ fees, costs, and a service award, and the class members’ option to participate, opt out, or object to the settlement.

Judge Timothy J. Korrigan, Smith v. Costa Del Mar, Inc. (Sept. 21, 2021) 3:18-cv-01011 (M.D. Fla.):

Following preliminary approval, the settlement administrator carried out the notice program The settlement administrator sent a summary notice and long-form notice to all class members, sent CAFA notice to federal and state officials ... and established a website with comprehensive information about the settlement Email notice was sent to class members with email addresses, and postcards were sent to class members with only physical addresses Multiple attempts were made to contact class members in some cases, and all notices directed recipients to a website where they could access settlement information A paid online media plan was implemented for class members for whom the settlement administrator did not have data When the notice program was complete, the settlement administrator submitted a declaration stating that the notice and paid media plan reached at least seventy percent of potential class members [N]otices had been delivered via postcards or email to 939,400 of the 939,479 class members to whom the settlement administrator sent notice—a ninety-nine and a half percent deliverable rate....

Notice was disseminated in accordance with the Preliminary Approval Order Federal Rule of Civil Procedure 23(c)(2)(B) requires that notice be “the best notice that is practicable under the circumstances.” Upon review of the notice materials ... and of Azari’s Declaration ... regarding the notice program, the Court is satisfied with the way in which the notice program was carried out. Class notice fully complied with Rule 23(c)(2)(B) and due process, constituted the best notice practicable under the circumstances, and was sufficient notice to all persons entitled to notice of the settlement of this lawsuit.

Judge Lucy H. Koh, *Grace v. Apple, Inc.* (Mar. 31, 2021) 17-cv-00551 (N.D. Cal.):

Federal Rule of Civil Procedure 23(c)(2)(B) requires that the settling parties provide class members with “the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort. The notice must clearly and concisely state in plain, easily understood language: (i) the nature of the action; (ii) the definition of the class certified; (iii) the class claims, issues, or defenses; (iv) that a class member may enter an appearance through an attorney if the member so desires; (v) that the court will exclude from the class any member who requests exclusion; (vi) the time and manner for requesting exclusion; and (vii) the binding effect of a class judgment on members under Rule 23(c)(3).” The Court finds that the Notice Plan, which was direct notice sent to 99.8% of the Settlement Class via email and U.S. Mail, has been implemented in compliance with this Court’s Order (ECF No. 426) and complies with Rule 23(c)(2)(B).

Judge Christopher S. Sontchi, *In re Energy Future Holdings Corp et al.* (July 30, 2015) 14-cv-10979 (Bankr. D. Del.):

Notice of the Asbestos Bar Date as set forth in this Asbestos Bar Date Order and in the manner set forth herein constitutes adequate and sufficient notice of the Asbestos Bar Date and satisfies the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

Judge David C. Norton, *In re MI Windows and Doors Inc. Products Liability Litigation* (July 22, 2015) MDL No. 2333, 2:12-mn-00001 (D.S.C.):

The court finds that the Notice Plan, as described in the Settlement and related declarations, has been faithfully carried out and constituted the best practicable notice to Class Members under the circumstances of this Action, and was reasonable and constituted due, adequate, and sufficient notice to all Persons entitled to be provided with Notice.

The court also finds that the Notice Plan was reasonably calculated, under the circumstances, to apprise Class Members of: (1) the pendency of this class action; (2) their right to exclude themselves from the Settlement Class and the proposed Settlement; (3) their right to object to any aspect of the proposed Settlement (including final certification of the Settlement Class, the fairness, reasonableness, or adequacy of the proposed Settlement, the adequacy of the Settlement Class's representation by Named Plaintiffs or Class Counsel, or the award of attorney's and representative fees); (4) their right to appear at the fairness hearing (either on their own or through counsel hired at their own expense); and (5) the binding and preclusive effect of the orders and Final Order and Judgment in this Action, whether favorable or unfavorable, on all Persons who do not request exclusion from the Settlement Class. As such, the court finds that the Notice fully satisfied the requirements of the Federal Rules of Civil Procedure, including Federal Rule of Civil Procedure 23(c)(2) and (e), the United States Constitution (including the Due Process

Clause), the rules of this court, and any other applicable law, and provided sufficient notice to bind all Class Members, regardless of whether a particular Class Member received actual notice.

Judge Robert W. Gettleman, *Adkins et al. v. Nestlé Purina PetCare Company et al.* (June 23, 2015) 1:12-cv-02871 (N.D. Ill.):

Notice to the Settlement Class and other potentially interested parties has been provided in accordance with the notice requirements specified by the Court in the Preliminary Approval Order. Such notice fully and accurately informed the Settlement Class members of all material elements of the proposed Settlement and of their opportunity to object or comment thereon or to exclude themselves from the Settlement; provided Settlement Class Members adequate instructions and a variety of means to obtain additional information; was the best notice practicable under the circumstances; was valid, due, and sufficient notice to all Settlement Class members; and complied fully with the laws of the State of Illinois, Federal Rules of Civil Procedure, the United States Constitution, due process, and other applicable law.

Judge James Lawrence King, *Steen v. Capital One, N.A.* (May 22, 2015) 2:10-cv-01505 (E.D. La.) and 1:10-cv-22058 (S.D. Fla.) as part of ***In re Checking Account Overdraft Litigation***, MDL No. 2036 (S.D. Fla.):

The Court finds that the Settlement Class Members were provided with the best practicable notice; the notice was reasonably calculated, under [the] circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections . . . This Settlement with Capital One was widely publicized, and any Settlement Class Member who wished to express comments or objections had ample opportunity and means to do so.

Judge Rya W. Zobel, *Gulbankian et al. v. MW Manufacturers, Inc.* (Dec. 29, 2014) 1:10-cv-10392 (D. Mass.):

This Court finds that the Class Notice was provided to the Settlement Class consistent with the Preliminary Approval Order and that it was the best notice practicable and fully satisfied the requirements of the Federal Rules of Civil Procedure, due process, and applicable law. The Court finds that the Notice Plan that was implemented by the Claims Administrator satisfies the requirements of FED. R. CIV. P. 23, 28 U.S.C. § 1715, and Due Process, and is the best notice practicable under the circumstances. The Notice Plan constituted due and sufficient notice of the Settlement, the Final Approval Hearing, and the other matters referred to in the notices. Proof of the giving of such notices has been filed with the Court via the Azari Declaration and its exhibits.

Judge Edward J. Davila, *Rose v. Bank of America Corporation et al.* (Aug. 29, 2014) 5:11-cv-02390 & 5:12-cv-00400 (N.D. Cal.):

The Court finds that the notice was reasonably calculated under the circumstances to apprise the Settlement Class of the pendency of this action, all material elements of the Settlement, the opportunity for Settlement Class Members to exclude themselves from, object to, or comment on the settlement and to appear at the final approval hearing. The notice was the best notice practicable under the circumstances, satisfying the requirements of Rule 23(c)(2)(B); provided notice in a reasonable manner to all class members, satisfying Rule 23(e)(1)(B); was adequate and sufficient notice to all Class Members; and, complied fully with the laws of the United States and of the Federal Rules of Civil Procedure, due process and any other applicable rules of court.

Judge James A. Robertson, II, *Wong et al. v. Alacer Corp.* (June 27, 2014) CGC-12-519221 (Sup. Ct. Cal.):

Notice to the Settlement Class has been provided in accordance with the Preliminary Approval Order. Based on the Declaration of Cameron Azari dated March 7, 2014, such Class Notice has been provided in an adequate and sufficient manner, constitutes the best notice practicable under the circumstances and satisfies the requirements of California Civil Code Section 1781, California Civil Code of Civil Procedure Section 382, Rules 3.766 of the California Rules of Court, and due process.

Judge John Gleeson, *In re Payment Card Interchange Fee and Merchant Discount Antitrust Litigation* (Dec. 13, 2013) MDL No. 1720, 05-md-01720 (E.D.N.Y.):

The Class Administrator notified class members of the terms of the proposed settlement through a mailed notice and publication campaign that included more than 20 million mailings and publication in more than 400 publications. The notice here meets the requirements of due process and notice standards . . . The objectors' complaints provide no reason to conclude that the purposes and requirements of a notice to a class were not met here.

Judicial Quotes

Judge Lance M. Africk, *Evans et al. v. TIN, Inc. et al.* (July 7, 2013) 2:11-cv-02067 (E.D. La.):

The Court finds that the dissemination of the Class Notice... as described in Notice Agent Lauran Schultz's Declaration: (a) constituted the best practicable notice to Class Members under the circumstances; (b) constituted notice that was reasonably calculated, under the circumstances...; (c) constituted notice that was reasonable, due, adequate, and sufficient; and (d) constituted notice that fully satisfied all applicable legal requirements, including Rules 23(c)(2)(B) and (e)(1) of the Federal Rules of Civil Procedure, the United States Constitution (including Due Process Clause), the Rules of this Court, and any other applicable law, as well as complied with the Federal Judicial Center's illustrative class action notices.

Judge Edward M. Chen, *Marolda v. Symantec Corporation* (Apr. 5, 2013) 3:08-cv-05701 (N.D. Cal.):

Approximately 3.9 million notices were delivered by email to class members, but only a very small percentage objected or opted out ... The Court ... concludes that notice of settlement to the class was adequate and satisfied all requirements of Federal Rule of Civil Procedure 23(e) and due process. Class members received direct notice by email, and additional notice was given by publication in numerous widely circulated publications as well as in numerous targeted publications. These were the best practicable means of informing class members of their rights and of the settlement's terms.

Judge Ann D. Montgomery, *In re Zurn Pex Plumbing Products Liability Litigation* (Feb. 27, 2013) MDL No. 1958, 08-md-01958 (D. Minn.):

*The form and content of the notices provided to the class were direct, understandable, and consistent with the "plain language" principles advanced by the Federal Judicial Center . . . The notice plan's multi-faceted approach to providing notice to settlement class members whose identity is not known to the settling parties constitutes "the best notice [*26] that is practicable under the circumstances" consistent with Rule 23(c)(2)(B).*

Magistrate Judge Stewart, *Gessele et al. v. Jack in the Box, Inc.* (Jan. 28, 2013) 3:10-cv-00960 (D. Ore.):

Moreover, plaintiffs have submitted [a] declaration from Cameron Azari, a nationally recognized notice expert, who attests that fashioning an effective joint notice is not unworkable or unduly confusing. Azari also provides a detailed analysis of how he would approach fashioning an effective notice in this case.

Judge Carl J. Barbier, *In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010 (Medical Benefits Settlement)* (Jan. 11, 2013) MDL No. 2179 (E.D. La.):

Through August 9, 2012, 366,242 individual notices had been sent to potential [Medical Benefits] Settlement Class Members by postal mail and 56,136 individual notices had been e-mailed. Only 10,700 mailings—or 3.3%—were known to be undeliverable. (Azari Decl. ¶¶ 8, 9.) Notice was also provided through an extensive schedule of local newspaper, radio, television and Internet placements, well-read consumer magazines, a national daily business newspaper, highly-trafficked websites, and Sunday local newspapers (via newspaper supplements). Notice was also provided in non-measured trade, business and specialty publications, African-American, Vietnamese, and Spanish language publications, and Cajun radio programming. The combined measurable paid print, television, radio, and Internet effort reached an estimated 95% of adults aged 18+ in the Gulf Coast region an average of 10.3 times each, and an estimated 83% of all adults in the United States aged 18+ an average of 4 times each. (Id. ¶¶ 8, 10.) All notice documents were designed to be clear, substantive, and informative. (Id. ¶ 5.)

The Court received no objections to the scope or content of the [Medical Benefits] Notice Program. (Azari Supp. Decl. ¶ 12.) The Court finds that the Notice and Notice Plan as implemented satisfied the best notice practicable standard of Rule 23(c) and, in accordance with Rule 23(e)(1), provided notice in a reasonable manner to Class Members who would be bound by the Settlement, including individual notice to all Class Members who could be identified through reasonable effort. Likewise, the Notice and Notice Plan satisfied the requirements of Due Process. The Court also finds the Notice and Notice Plan satisfied the requirements of CAFA.

Judge Carl J. Barbier, *In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010 (Economic and Property Damages Settlement)* (Dec. 21, 2012) MDL No. 2179 (E.D. La.):

The Court finds that the Class Notice and Class Notice Plan satisfied and continue to satisfy the applicable requirements of Federal Rule of Civil Procedure 23(c)(2)(b) and 23(e), the Class Action Fairness Act (28 U.S.C. § 1711 et seq.), and the Due Process Clause of the United States Constitution (U.S. Const., amend. V), constituting the best notice

Judicial Quotes

that is practicable under the circumstances of this litigation. The notice program surpassed the requirements of Due Process, Rule 23, and CAFA. Based on the factual elements of the Notice Program as detailed below, the Notice Program surpassed all of the requirements of Due Process, Rule 23, and CAFA.

The Notice Program, as duly implemented, surpasses other notice programs ... executed with court approval. The Notice Program included notification to known or potential Class Members via postal mail and e-mail; an extensive schedule of local newspaper, radio, television and Internet placements, well-read consumer magazines, a national daily business newspaper, and Sunday local newspapers. Notice placements also appeared in non-measured trade, business, and specialty publications, African-American, Vietnamese, and Spanish language publications, and Cajun radio programming. The Notice Program met the objective of reaching the greatest possible number of class members and providing them with every reasonable opportunity to understand their legal rights. See Azari Decl. ¶¶ 8, 15, 68. The Notice Program was substantially completed on July 15, 2012, allowing class members adequate time to make decisions before the opt-out and objections deadlines.

The media notice effort alone reached an estimated 95% of adults in the Gulf region an average of 10.3 times each, and an estimated 83% of all adults in the United States an average of 4 times each. These figures do not include notice efforts that cannot be measured, such as advertisements in trade publications and sponsored search engine listings. The Notice Program fairly and adequately covered and notified the class without excluding any demographic group or geographic area, and it exceeded the reach percentage achieved in most other court-approved notice programs.

Judge Alonzo Harris, *Opelousas General Hospital Authority, A Public Trust, D/B/A Opelousas General Health System and ArkLamiss Surgery Center, L.L.C. v. FairPay Solutions, Inc.* (Aug. 17, 2012) 12-C-1599 (27th Jud. D. Ct. La.):

Notice given to Class Members and all other interested parties pursuant to this Court's order of April 18, 2012, was reasonably calculated to apprise interested parties of the pendency of the action, the certification of the Class as Defined for settlement purposes only, the terms of the Settlement Agreement, Class Members rights to be represented by private counsel, at their own costs, and Class Members rights to appear in Court to have their objections heard, and to afford persons or entities within the Class Definition an opportunity to exclude themselves from the Class. Such notice complied with all requirements of the federal and state constitutions, including the Due Process Clause, and applicable articles of the Louisiana Code of Civil Procedure, and constituted the best notice practicable under the circumstances and constituted due and sufficient notice to all potential members of the Class as Defined.

Judge James Lawrence King, *Sachar v. Iberiabank Corporation* (Apr. 26, 2012) as part of ***In re Checking Account Overdraft*** MDL No. 2036 (S.D. Fla):

The Court finds that the Notice previously approved was fully and properly effectuated and was sufficient to satisfy the requirements of due process because it described "the substantive claims ... [and] contained information reasonably necessary to [allow Settlement Class Members to] make a decision to remain a class member and be bound by the final judgment."... The Notice, among other things, defined the Settlement Class, described the release as well as the amount and method and manner of proposed distribution of the Settlement proceeds, and informed Settlement Class Members of their rights to opt-out or object, the procedures for doing so, and the time and place of the Final Approval Hearing. The Notice also informed Settlement Class Members that a class judgment would bind them unless they opted out, and told them where they could obtain more information, such as access to a full copy of the Agreement. Further, the Notice described in summary form the fact that Class Counsel would be seeking attorneys' fees of up to 30 percent of the Settlement. Settlement Class Members were provided with the best practicable notice "reasonably calculated, under [the] circumstances, to apprise them of the pendency of the action and afford them an opportunity to present their objections." Mullane, 339 U.S. at 314. The content of the Notice fully complied with the requirements of Rule 23.

Judge Bobby Peters, *Vereen v. Lowe's Home Centers* (Apr. 13, 2012) SU10-cv-2267B (Ga. Super. Ct.):

The Court finds that the Notice and the Notice Plan was fulfilled, in accordance with the terms of the Settlement Agreement, the Amendment, and this Court's Preliminary Approval Order and that this Notice and Notice Plan constituted the best practicable notice to Class Members under the circumstances of this action, constituted due and sufficient Notice of the proposed Settlement to all persons entitled to

participate in the proposed Settlement, and was in full compliance with Ga. Code Ann § 9-11-23 and the constitutional requirements of due process. Extensive notice was provided to the class, including point of sale notification, publication notice and notice by first-class mail for certain potential Class Members.

The affidavit of the notice expert conclusively supports this Court's finding that the notice program was adequate, appropriate, and comported with Georgia Code Ann. § 9-11-23(b)(2), the Due Process Clause of the Constitution, and the guidance for effective notice articulate in the FJC's Manual for Complex Litigation, 4th.

Judge Lee Rosenthal, *In re Heartland Payment Systems, Inc. Customer Data Security Breach Litigation* (Mar. 2, 2012) MDL No. 2046 (S.D. Tex.):

*The notice that has been given clearly complies with Rule 23(e)(1)'s reasonableness requirement... the notice plan after its implementation and conservatively estimated that notice reached 81.4 percent of the class members. (Docket Entry No. 106, ¶ 32). Both the summary notice and the detailed notice provided the information reasonably necessary for the presumptive class members to determine whether to object to the proposed settlement. See Katrina Canal Breaches, 628 F.3d at 197. Both the summary notice and the detailed notice "were written in easy-to-understand plain English." In re Black Farmers Discrimination Litig., — F. Supp. 2d —, 2011 WL 5117058, at *23 (D.D.C. 2011); accord AGGREGATE LITIGATION § 3.04(c).15 The notice provided "satisf[ies] the broad reasonableness standards imposed by due process" and Rule 23. Judge John D. Bates, *Trombley v. National City Bank* (Dec. 1, 2011) 1:10-cv-00232 (D.D.C.) as part of ***In re Checking Account Overdraft Litigation*** MDL No. 2036 (S.D. Fla.):

The form, content, and method of dissemination of Notice given to the Settlement Class were in full compliance with the Court's January 11, 2011 Order, the requirements of Fed. R. Civ. P. 23(e), and due process. The notice was adequate and reasonable, and constituted the best notice practicable under the circumstances. In addition, adequate notice of the proceedings and an opportunity to participate in the final fairness hearing were provided to the Settlement Class.

Judge Robert M. Dow, Jr., *Schulte v. Fifth Third Bank* (July 29, 2011) 1:09-cv-06655 (N.D. Ill.):

The Court has reviewed the content of all of the various notices, as well as the manner in which Notice was disseminated, and concludes that the Notice given to the Class fully complied with Federal Rule of Civil Procedure 23, as it was the best notice practicable, satisfied all constitutional due process concerns, and provided the Court with jurisdiction over the absent Class Members.

Judge Ellis J. Daigle, *Williams v. Hammerman & Gainer Inc.* (June 30, 2011) 11-C-3187-B (27th Jud. D. Ct. La.):

Notices given to Settlement Class members and all other interested parties throughout this proceeding with respect to the certification of the Settlement Class, the proposed settlement, and all related procedures and hearings—including, without limitation, the notice to putative Settlement Class members and others... were reasonably calculated under all the circumstances and have been sufficient, as to form, content, and manner of dissemination, to apprise interested parties and members of the Settlement Class of the pendency of the action, the certification of the Settlement Class, the Settlement Agreement and its contents, Settlement Class members' right to be represented by private counsel, at their own cost, and Settlement Class members' right to appear in Court to have their objections heard, and to afford Settlement Class members an opportunity to exclude themselves from the Settlement Class. Such notices complied with all requirements of the federal and state constitutions, including the due process clause, and applicable articles of the Louisiana Code of Civil Procedures, and constituted the best notice practicable under the circumstances and constituted due and sufficient notice to all potential members of the Settlement Class.

Judge Stefan R. Underhill, *Mathena v. Webster Bank, N.A.* (Mar. 24, 2011) 3:10-cv-01448 (D. Conn.) as part of ***In re Checking Account Overdraft Litigation*** MDL No. 2036 (S.D. Fla.):

The form, content, and method of dissemination of Notice given to the Settlement Class were adequate and reasonable, and constituted the best notice practicable under the circumstances. The Notice, as given, provided valid, due, and sufficient notice of the proposed settlement, the terms and conditions set forth in the Settlement Agreement, and these proceedings to all persons entitled to such notice, and said notice fully satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure and due process.

Judge Ted Stewart, *Miller v. Basic Research, LLC* (Sept. 2, 2010) 2:07-cv-00871 (D. Utah):

Plaintiffs state that they have hired a firm specializing in designing and implementing large scale, unbiased, legal notification plans. Plaintiffs represent to the Court that such notice will include: 1) individual notice by electronic mail and/or first-class mail sent to all reasonably identifiable Class members; 2) nationwide paid media notice through a combination of print publications, including newspapers, consumer magazines, newspaper supplements and the Internet; 3) a neutral, Court-approved, informational press release; 4) a neutral, Court-approved Internet website; and 5) a toll-free telephone number. Similar mixed media plans have been approved by other district courts post class certification. The Court finds this plan is sufficient to meet the notice requirement.

Judge Sara Loi, *Pavlov v. Continental Casualty Co.* (Oct. 7, 2009) 5:07-cv-02580 (N.D. Ohio):

[T]he elaborate notice program contained in the Settlement Agreement provides for notice through a variety of means, including direct mail to each class member, notice to the United States Attorney General and each State, a toll free number, and a website designed to provide information about the settlement and instructions on submitting claims. With a 99.9% effective rate, the Court finds that the notice program constituted the “best notice that is practicable under the circumstances,” Fed. R. Civ. P. 23(c)(2)(B), and clearly satisfies the requirements of Rule 23(c)(2)(B).

Judge James Robertson, *In re Department of Veterans Affairs (VA) Data Theft Litigation* (Sept. 23, 2009) MDL No. 1796 (D.D.C.):

The Notice Plan, as implemented, satisfied the requirements of due process and was the best notice practicable under the circumstances. The Notice Plan was reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the action, the terms of the Settlement, and their right to appear, object to or exclude themselves from the Settlement. Further, the notice was reasonable and constituted due, adequate and sufficient notice to all persons entitled to receive notice.

BASIC INFORMATION

1. Why is this Notice being provided?

A court authorized this Notice because you have the right to know about the Settlement of this class action lawsuit and about all of your rights and options before the Court decides whether to grant final approval to the Settlement. This Notice explains the lawsuit, the Settlement, your legal rights, what Settlement Class Member Benefits are available, who is eligible for the Settlement Class Member Benefits, and how to get them.

The Honorable John J. McConnell, Jr. of the United States District Court for the District of Rhode Island is overseeing this class action. The lawsuit is known *Springer v. Johnson & Wales University*, Case No. 1:24-cv-399 (“lawsuit”). The individuals who filed this lawsuit are called the “Plaintiffs” and/or “Class Representatives” and the company sued, Johnson & Wales University, is called the “Defendant.”

2. What is this lawsuit about?

The Plaintiffs filed this lawsuit against the Defendant on behalf of themselves and all others similarly situated related to a Security Incident involving the unauthorized access of Defendant’s network by a third-party criminal actor in July 2024, in which Settlement Class Members’ information may have been affected.

Defendant denies the legal claims and denies any wrongdoing or liability.

The Court has not made any determination of any wrongdoing by Defendant, or that any law has been violated. Instead, the Plaintiffs and Defendant have agreed to a settlement to avoid the risk, cost, and time of continuing the lawsuit.

3. Why is there a Settlement?

Plaintiffs and Defendant do not agree about the merits of the legal claims made in this lawsuit. The lawsuit has not gone to trial, and the Court has not decided in favor of the Plaintiffs or Defendant. Instead, the Plaintiffs and Defendant have agreed to settle the lawsuit to avoid the time, expense, and uncertainty of continuing with the lawsuit.

4. Why is this lawsuit a class action?

In a class action, one or more people (called “class representatives”) sue on behalf of all people who have similar legal claims. Together, all these people are called a class or class members. One court then resolves the issues for all class members, except for those class members who timely exclude themselves (“opt-out”) from the class.

WHO IS INCLUDED IN THE SETTLEMENT?

5. How do I know if I am included in the Settlement?

You are included in the Settlement Class if you are a living individual residing in the United States who was sent a notice by Defendant of the Security Incident.

Questions? Go to www.JWUSecurityIncident.com or call 1-877-745-7766

6. Are there exceptions to being included in the Settlement?

Yes. Excluded from the Settlement Class are: (a) Defendant and Defendant's parents, subsidiaries, affiliates officers, and directors, and any entity in which Defendant has a controlling interest; and (b) all judges assigned to hear any aspect of this litigation, as well as their immediate family members.

7. What if I am still not sure whether I am part of the Settlement?

If you are still not sure whether you are a Settlement Class Member, you may go to www.JWUSecurityIncident.com or call toll-free 1-877-745-7766.

THE SETTLEMENT BENEFITS

8. What does this Settlement provide?

If you are a Settlement Class Member, you can submit a Claim Form for the following Settlement Class Member Benefits:

Cash Payment A – Documented Losses

You may submit a Claim Form along with reasonable supporting documentation for losses related to the Security Incident for up to \$1,000 per Settlement Class Member if: (i) the claimed losses are actual, documented, and have not been reimbursed; (ii) you contend that the loss was more likely than not caused by the Security Incident; (iii) the loss was incurred after the July 2024 date of the Security Incident; and (iv) you made reasonable but unsuccessful efforts to avoid, or seek reimbursement for, the loss.

Examples of reasonable documentation includes (but is not limited to): unreimbursed losses relating to fraud or identity theft; costs associated with freezing or unfreezing credit with any credit reporting agency; and miscellaneous expenses such as notary, fax, postage, copying, and mileage.

You will not be reimbursed for expenses if you have been reimbursed for the same expenses by another source, including compensation provided in connection with the credit monitoring services and identity theft protection product offered as part of the notification letter provided by Defendant or otherwise.

If you do not submit reasonable documentation supporting a loss, or if your Claim Form is invalid as determined by the Settlement Administrator, and you do not cure your Claim Form, your Claim Form will be denied.

Cash Payment B – Alternate Cash Payment

Instead of selecting Cash Payment A, without providing documentation, you may submit a Claim Form to receive a flat cash payment in the estimated amount of \$50.

Your Cash Payment may be subject to a *pro rata* (a legal term meaning equal share) increase if the amount of Valid Claims does not use the entire net Settlement Fund. Alternatively, if the amount of Valid Claims exceeds the amount of the net Settlement Fund, your Cash Payment may be subject to a *pro rata* reduction.

For purposes of calculating the *pro rata* increase or decrease, the Settlement Administrator must distribute the funds in the net Settlement Fund first for payment of Credit Monitoring and then for Cash Payments. Any *pro rata* increases or decreases to Cash Payments will be on an equal percentage basis.

Credit Monitoring

In addition to Cash Payment A – Documented Losses or Cash Payment B – Alternate Cash Payment, you may also submit a Claim Form to receive up to three years of free Credit Monitoring.

9. What am I giving up to receive Settlement Class Member Benefits or stay in the Settlement Class?

Unless you exclude yourself (opt-out), you will remain in the Settlement Class. If the Settlement is approved and becomes final, all Court orders and any judgments will apply to you and legally bind you. You will not be able to sue, continue to sue, or be part of any other lawsuit against the Released Parties about the Released Claims in this lawsuit. The specific rights you are giving up are called “Released Claims.”

10. What are the Released Claims?

The Settlement Agreement describes the Releases, Released Claims, and Released Parties, in necessary legal terminology, so please read it carefully. The Settlement Agreement is available at www.JWUSecurityIncident.com. For questions regarding the Releases, Released Claims, or Released Parties and what the language in the Settlement Agreement means, you can also contact Settlement Class Counsel listed below for free, or you can talk to your own lawyer at your own expense.

HOW TO GET BENEFITS FROM THE SETTLEMENT

11. How do I submit a Claim Form?

You must submit a timely and valid Claim Form to receive any Settlement Class Member Benefits, as described above. Your Claim Form must be submitted online at www.JWUSecurityIncident.com by **April 6, 2026**, or mailed to the Settlement Administrator at the address on the Claim Form, **postmarked by April 6, 2026**. 12. What happens if my contact information changes after I submit a Claim Form?

Questions? Go to www.JWUSecurityIncident.com or call 1-877-745-7766

It may take time for the Settlement to be approved and become final. Please be patient and check www.JWUSecurityIncident.com for updates.

EXCLUDE YOURSELF OR OPT-OUT OF THE SETTLEMENT

If you are a member of the Settlement Class and want to keep any right you may have to sue or continue to sue the Released Parties on your own about the legal claims in this lawsuit or the Released Claims, then you must take steps to get out of the Settlement. This is called excluding yourself from—or “opting-out” of—the Settlement.

14. How do I opt-out of the Settlement?

To exclude yourself from the Settlement, you must mail a written request for exclusion, which includes the following:

- 1) Your name, current address, telephone number, and email address (if any);
- 2) Your personal physical signature; and
- 3) A statement that you want to be excluded from the Settlement Class, such as “I hereby request to be excluded from the Settlement Class in the *Johnson & Wales Security Incident*.”

The exclusion request must be **mailed** to the Settlement Administrator at the following address, and be **postmarked** by **April 6, 2026**:

Johnson & Wales University Security Incident
Settlement Administrator
PO Box 3578
Portland, OR 97208-3578

You cannot opt-out (exclude yourself) by telephone or by email.

“Mass” or “class” requests for exclusion filed by third parties on behalf of a “mass” or “class” of Settlement Class Members or multiple Settlement Class Members will not be allowed.

15. If I opt-out can I still get anything from the Settlement?

No. If you opt-out, you will not be able to receive Settlement Class Member Benefits, and you will not be bound by the Settlement or any judgments in this lawsuit. You can only get Settlement Class Member Benefits if you stay in the Settlement and submit a timely and valid Claim Form.

16. If I do not opt-out, can I sue the Defendant for the same thing later?

No. Unless you opt-out, you give up any right to sue any of the Released Parties for the legal claims this Settlement resolves and Releases, and you will be bound by all the terms of the Settlement, proceedings, orders, and judgments in the lawsuit. You must opt-out of this lawsuit to start or continue your own lawsuit or be part of any other lawsuit against the Released Parties about the Released Claims in this Settlement. If you have a pending lawsuit, speak to your lawyer in that lawsuit immediately.

OBJECTING TO THE SETTLEMENT

17. How do I tell the Court I do not like the Settlement?

If you are a Settlement Class Member, you can tell the Court you do not agree with all or any part of the Settlement and/or Application for Attorneys’ Fees, Costs, and Service Awards.

Questions? Go to www.JWUSecurityIncident.com or call 1-877-745-7766

To object, you must file your timely written objection with the Court as provided below by **April 6, 2026**, and send by U.S. mail to Settlement Class Counsel, Defendant’s Counsel, and the Settlement Administrator postmarked by or shipped by private courier (such as Federal Express) by **April 6, 2026**, stating you object to the Settlement in *Springer v. Johnson & Wales University*, Case No. 1:24-cv-399.

For an objection to be a valid objection under the Settlement, it must be in writing, submitted to the Court either by filing electronically or in person at any location of the United States District Court for the District of Rhode Island or by mailing to the Clerk, filed or postmarked by the Objection Deadline, and must include or substantially comply with the following: (a) the name of the proceeding; (b) the Settlement Class Member’s full name, current mailing address, email address, telephone number, and personal signature; (c) a statement of the specific grounds for the objection, as well as any documents supporting the objection; (d) the identity of any attorneys representing the objector; (e) a statement regarding whether the Settlement Class Member (or his/her attorney) intends to appear at the Final Approval Hearing; (f) a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection (if any); (g) a statement identifying all class action settlements objected to by the Settlement Class Member in the previous five (5) years; and (h) the signature of the Settlement Class Member or the Settlement Class Member’s attorney. The Court, in its discretion, may authorize additional discovery of objectors.

Settlement Class Counsel and/or Defendant’s Counsel may conduct limited discovery on any objector or objector’s lawyer.

To object, you must file your timely written objection with the Court by **April 6, 2026**, and send it by U.S. mail to Settlement Class Counsel, Defendant’s Counsel, and the Settlement Administrator postmarked by or shipped by private courier (such as Federal Express) by **April 6, 2026**, at the following addresses:

Questions? Go to www.JWUSecurityIncident.com or call 1-877-745-7766

18. What is the difference between objecting and asking to be excluded?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Opting-out is telling the Court that you do not want to be part of the Settlement Class. If you opt-out, you cannot object because you are no longer part of the Settlement.

THE LAWYERS REPRESENTING YOU

19. Do I have a lawyer in the lawsuit?

Yes. The Court has appointed Leanna A. Loginov of Shamis & Gentile, P.A., Grayson Wells of Stranch, Jennings & Garvey, PLLC, and Leigh Montgomery of EKSM, LLP as Settlement Class Counsel to represent you and the Settlement Class for the purposes of this Settlement. You may hire your own lawyer at your own cost if you want someone other than Settlement Class Counsel to represent you in this lawsuit.

20. How will Settlement Class Counsel be paid?

Settlement Class Counsel will file a motion asking the Court to award attorneys' fees up to 1/3 of the Settlement Fund, plus reimbursement of reasonable costs. Settlement Class Counsel will also ask the Court to approve the Service Awards for the Settlement Class Representatives of up to \$2,500 each for their efforts. If awarded by the Court, the attorneys' fees and costs, and Service Awards will be paid from the Settlement Fund. The Court may award less than these amounts.

THE FINAL APPROVAL HEARING

The Court will hold a "Final Approval Hearing" to decide whether to approve the Settlement and Application for Attorneys' Fees, Costs, and Service Awards. You may attend and you may ask to speak if you file an objection by the deadline, but you do not have to.

21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing on **May 13, 2026, at 11:00 a.m. ET** before the Honorable John J. McConnell, Jr. at the U.S. District Court District of Rhode Island, 1 Exchange Terrace, Providence, RI, 02903. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate and decide whether to approve the Settlement, Settlement Class Counsel's Application for Attorneys' Fees, Costs, and Service Awards.

If there are objections that were filed by the deadline, the Court will consider them. If you file a timely objection, and you (or your lawyer) ask to speak at the hearing, the Court, at its discretion, may hear objections at the hearing.

Note: The date and time of the Final Approval Hearing are subject to change without further notice to the Settlement Class. The Court may also decide to hold the hearing via video conference or by telephone. You should check the Settlement Website www.JWUSecurityIncident.com to confirm the date and time of the Final Approval Hearing have not changed.

Questions? Go to www.JWUSecurityIncident.com or call 1-877-745-7766

22. Do I have to attend the Final Approval Hearing?

No. Settlement Class Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you file an objection, you do not have to attend the Final Approval Hearing to speak about it. As long as you file your written objection by the deadline, the Court will consider it.

23. May I speak at the Final Approval Hearing?

If there are objections that were filed by the deadline, the Court will consider them. If you file a timely objection, and you (or your lawyer) ask to speak at the hearing, the Court, at its discretion, may hear objections at the hearing.

Cash Payment A—Documented Losses

You may submit a Claim Form along with supporting documentation for losses related to the Security Incident for up to \$1,000 per Settlement Class Member if (i) the claimed losses are actual, documented, and have not been reimbursed; (ii) you contend that the loss was more likely than not caused by the Security Incident; (iii) the loss was incurred after the July 2024 date of the Security Incident; and (iv) you made reasonable but unsuccessful efforts to avoid, or seek reimbursement for, the loss.

Examples of reasonable documentation include (but are not limited to) unreimbursed losses relating to fraud or identity theft; and costs associated with freezing or unfreezing credit with any credit reporting agency; and miscellaneous expenses such as notary, fax, postage, copying, and mileage.

This may include receipts or other documentation. “Self-prepared” documentation such as handwritten receipts are, by themselves, insufficient to receive reimbursement, but they may be considered to add clarity or support to other submitted documentation.
